INNOVATION PROCUREMENT SPRINT

11

Staff Recommendation: Approve requested resources with the following modifications to the provisional language: (1) Include \$5 million cap on the total level of augmentations that can be authorized. (2) Require 30 days notification and review periods instead of the proposed 15-day period. (3) Require CalFire to provide an update to the JLBC on the procurement process and the number and types of technologies being considered upon conclusion of the initial evaluation of proposals. (4) Require CalFire to provide a description of the outcomes of field testing of any technologies or solutions before entering into any contracts beyond the initial proof of concept.
