ISSUE 1	<p>UC BUDGET PACKAGE</p> <hr/> <p>Staff Recommendation: Approve the following UC Budget Package:</p> <p><i>Approve \$96 million in Proposition 2 funds and proposed budget bill language requiring UC to approve a retirement program that limits pensionable compensation consistent with the limits specified in the Public Employees Pension Reform Act of 2013.</i></p> <p><i>Approve \$25 million General Fund for UC deferred maintenance projects</i></p> <p><i>Increase the January Budget proposal by an additional \$35 million General Fund, for a total of \$154.5 million General Fund above current year levels. Approve budget bill language stipulating that \$35 million will not be released to UC until June 1, 2016, and only if the following conditions are met:</i></p> <p style="padding-left: 40px;"><i>UC must provide evidence to the Legislature and Administration that it has increased enrollment by 8,000 resident students or received sufficient Statements of Intent to Register by California students for the 2016-17 school year to indicate this new enrollment level will be reached by 2016-17.</i></p> <p style="padding-left: 40px;"><i>UC must provide evidence to the Legislature and Administration that it will not increase residential tuition in 2015-16 and 2016-17.</i></p> <p style="padding-left: 40px;"><i>UC must provide information to the Legislature and Administration that it will not increase nonresident enrollment levels above 2015-16 levels for the 2016-17 school year.</i></p> <p style="padding-left: 40px;"><i>UC must provide information to the Legislature and Administration indicating it has increased nonresident supplemental tuition by 8% in 2015-16, and that revenue generated from the increase in enrollment and tuition (\$68 million) has been used to support residential enrollment growth.</i></p> <p style="padding-left: 40px;"><i>UC must provide information to the Legislature and Administration that it is phasing out institutional financial aid for nonresident students, and will not offer institutional aid to nonresidents beginning with the 2016-17 cohort. UC must provide information that it is redirecting this funding to support resident students taking summer school courses.</i></p> <p style="padding-left: 40px;"><i>UC must provide information to the Legislature and Administration that it</i></p>	16

has reduced non-academic costs by \$10 million in 2015-16, or has a plan to do so in 2016-17. This could be achieved through reductions in the executive or management personnel categories, or other administrative efficiencies.

UC must provide information to the Legislature and Administration that it has posted information on the Office of the President website that details subcategories of personnel within the Managers and Senior Professionals personnel category, and breaks out personnel categories by funding source.

UC must provide a report to the Legislature and Governor by Dec. 1, 2015 that identifies all university fund sources legally allowable to support educational costs for undergraduate, graduate academic, and graduate professional education. The report shall also identify the factors UC considers to determine which fund sources to use for educational activities as well as how much funding to use. Additionally, the report shall detail all fund sources included in UC's calculation of educational expenditures, as reported pursuant to Section 92670 of the Education Code.
