E-1	0820	Department Of Justice	Controlled Substance Utilization Review and Evaluation System (CURES) - California's Prescription Drug Monitoring Program: \$875,000 (CURES Fund) and 8.0 positions to provide additional help desk support to handle calls from system users. The CURES Program receives approximately 9,700 telephone calls from pharmaceutical prescribing professionals per month, of which it is estimated 5,000 of these calls go unanswered, due to inadequate staffing levels.
