ISSUE 41	<p>Bridge Funding for the California Senior Legislature</p> <p>Added adoption of the following placeholder supplemental report language as part of this action:</p> <p>Item 4185-001-0001 — California Senior Legislature Long-Term Financing Plan for California Senior Legislature. The California Senior Legislature (CSL), in collaboration with Department with Finance, shall provide an update to the Legislature in January 2018 regarding the development of a long-term financing plan. This plan shall include an estimate of CSL’s expected revenues and expenditures over the next three years. The plan shall also include, but is not limited to: (1) information on how CSL can reduce administrative costs, for example reducing Department of General Services’ (DGS) state contracting costs by identifying larger departments or agencies that could potentially absorb CSL’s accounting and other DGS contracted workload; (2) ways in which organizational and program activities can be streamlined through the use of cost-efficient practices, and any potential trade-offs associated with the streamlining efforts; and (3)</p>	49
