8885-001-0001 Commission on State Mandates

TBL	Mandate Process Revisions to Conform to Current Budget Practice.	TBL	TBL	TBL	
-----	---	-----	-----	-----	--

Senate adopted placeholder language developed by the Department of Finance with the commission, the LAO and others to make technical and timing adjustments changes to the mandate claiming and payment statutory provisions in order to be consistent with current budget practice and to facilitate accurate mandate budget cost estimates.

Assembly took the same placeholder action, pending review and comment by local agencies.
