1810	6100	Department of Education	Local Control Funding Formula Increase. The Governor's Budget provides \$3.3 billion in ongoing Proposition 98 funding for applying a COLA of 5.33 percent and the LCFF changes that were proposed in the Governor's Budget. The May Revision reduces this amount by \$1.3 billion to reflect an updated COLA of 6.56 percent and declining ADA. The May Revision also includes \$2.1 billion in ongoing Proposition 98 General Fund to increase LCFF funding for school districts and charter schools.	Approve the Governor's May Revision COLA of 6.56 percent, approve the ongoing \$2.1 billion Proposition 98 General Fund, and take the following legislative actions: increase LCFF funding by an additional \$4.5 billion for a total base rate increase of 16.2%, add homeless students to the LCFF unduplicated pupil definition, and increase the threshold under the poverty definition of unduplicated pupil rate to 250% of the federal poverty level. The formula changes will result in an increase of \$620 million ongoing.	
1811	6100	Department of Education	Local Control Funding Formula - Declining Enrollment Proposal. The Governor's Budget proposes to amend the LCFF calculation to consider the greater of a school district's current year, prior year, or the average of three prior years' average daily attendance (ADA).	Approve, with one-time inclusion of classroom based charter schools for 2021-22 only, and adopt placeholder trailer bill.	
1812	6100	Department of Education	Local Control Funding Formula - 2021-22 Average Daily Attendance. The May Revision proposes allowing all local educational agencies to be funded at the greater of their current year average daily attendance of their current year enrollment adjusted for pre-COVID-19 absence rates in the 201-22 fiscal year. This proposal includes an ongoing \$2 billion Proposition 98 General Fund, and one-time \$463 million Proposition 98 General Fund for classroom-based charter schools.	Reject proposal.
