VOTE-ONLY ISSUE 8: CIVIL INTERPRETER PILOT PROJECT

BACKGROUND

Item 0250-101-0932, schedule 4, is intended to provide a dedicated funding stream to support court interpreter services. Over recent years, portions of the funding appropriated in support of this program have gone unexpended. This Proposal would reappropriate \$6 million from unexpended balances to support a 3-county, pilot project consistent with the intended purpose of these funds.

Staff Recommendation: Create an Item to reappropriate \$6 million from previously unexpended funds in Item 0250-101-0932, schedule 4, in support of a civil interpreter pilot project intended to provide in-person interpreter services in 3 selected counties.
