OVERVIEW

Five months after first being proposed by the Governor, and just one month after the Governor’s updated May Revision, the final version of the Budget Act of 2017 is now before the Legislature. The Budget Act of 2017 – contained in AB 97 Conference Report and AB 120/SB 105 Budget Bill Jr. – is on time, balanced, and follows the themes established by the Assembly’s **Protect and Persist Budget**.

The Budget Act of 2017 includes $127.5 billion in available General Fund resources, $125.1 billion in General Fund spending, and $9.9 billion in total reserves – including: $1.4 billion in the regular reserve and $8.5 billion in the Rainy Day Fund. Total spending, including special funds and bond funds is approximately $184.5 billion.

**Highlights:**

**Protect and Persist:** The Budget Act of 2017 follows the themes of the Assembly’s Protect and Persist Budget.

- **Protect** the progress California has made in recent years and protect against potential future economic downturns or adverse actions from the federal government.
  - The Budget Act of 2017 contains no cuts to recent improvements, expands access to health care with Prop 56 funds, and builds reserves to highest levels ever to protect against future economic downturns and adverse federal actions.

- **Persist** and make even more progressive improvements to fight poverty and build a stronger middle class.
  - The Budget Act of 2017 persists in making even more progress in every area of the budget – from Health and Human Services, to Education, to Resources and Transportation, to General Government, to Public Safety.

**Health and Human Services:**

- **Prop 56.** Provides $546 million in Prop 56 funds to provide supplemental rates for doctors and dentists that increase services, increase family planning rates, and other targeted improvements.

- **Health Benefits.** Restores full dental services in 2017-18 and optical services in 2019-20.

*Assembly Budget Committee*

The report should include funding and implementation implications to pursue this approach as a state.

• Provides for an augmentation for the Immigration Services Program at DSS to achieve a total $45 million (General Fund) funded on-going program for the next three years. This would provide an additional $15 million for 2017-18 in addition to acceptance of the Governor's May Revision ($15 million), adding this combined additional $30 million in on-going funding to the current base of $15 million. This would raise the base to $45 million General Fund through 2019-20, allowing for the needs in the community to be revisited in the intervening years and in the construction of the 2020-21 budget. Of this appropriation, $545,000 is a one-time set aside in the 2017-18 overall appropriation for legal resources and training to nonprofit legal services projects to ensure non-citizen clients are provided competent and effective defense counsel. Adopts trailer bill language to effectuate these changes.

• Provides $6 million General Fund (on-going) for the CalFood program. For the 2017-18 year, this on-going appropriation is atop the $2 million one-time funding that was provided in the May Revision, so that the increase for the 2017-18 year is $8 million.

• Adopts trailer bill language for the Able-Bodied Adults Without Dependents (ABAWDs) Program intended to allow for maximum continued access to food benefits for no or low income Californians in preparation for the waiver expiration. There is no cost associated with this proposal.

• Adopts supplemental report language regarding data collection and sharing for county CalFresh denials and discontinuances, providing for the creation of a workgroup composed of advocates of CalFresh beneficiaries and County Human Services Agencies to develop CalFresh and CalFresh Expedited Services application denials and benefit discontinuances report elements, to be reported by county and by consortia.
• Provides funding for the Supplemental Nutrition Benefit Pilot of $5 million General Fund (one-time) with trailer bill language, providing additional support for families who lack access to safe drinking water.

• Provides $1 million (General Fund) as a pass-through amount to be applied for building infrastructure improvements for the Poverello House in Fresno County.

• Provides $5.4 million General Fund (one-time) as a pass-through amount to be used to meet the needs of the homeless and displaced population affected by the Coyote Creek flooding in Santa Clara County.

• Provides $2.9 million General Fund for 2017-18 and $2.6 million General Fund in 2018-19 and on-going, with a presumed federal match to create a total of $6 million in 2017-18 and $5.1 million in the out-years for a new effort to prevent unintended pregnancies among foster youth. The funding will provide for social worker training, foster caregiver training, court officer training, fund additional social worker workload, and develop statewide curriculum (one-time cost). Adopts corresponding trailer bill language.

• Provides $81,000 General Fund, assuming a federal match to produce a total $320,100 appropriation for 2017-18 and on-going to create a medical review program for foster youth prescribed psychotropic medications. Adopts corresponding trailer bill language.

• Provides $3.84 million General Fund, assuming a federal match to produce a total $15.4 million appropriation for 2017-18 and on-going, to provide an additional 96 Public Health Nurses (PHNs) in the Health Care Program for Children in Foster Care (HCPCFC).

• Provides $15.5 million General Fund to implement the Emergency Child Care Bridge program starting January 1, 2018, with $31 million for the annualized costs starting in 2018-19. Adopts corresponding trailer bill language to authorize counties to administer and distribute vouchers or payment for child care services, require that each child be provided with a child care navigator, and require the child care resource and referral program provide trauma-informed training and coaching to child care providers working with children and children of parenting youth in the foster care system.

• Adopts changes to the 2016 supplemental report language for the Continuum of Care Reform (CCR) effort, specifically for the mental health services and outcomes.
components. These changes are intended to facilitate transparent and meaningful understanding of mental health services for foster youth in the implementation of the CCR.

- Provides approximately $1.65 million General Fund on an on-going basis and adopts trailer bill language to codify existing exemptions for live-in family care providers and extraordinary circumstances, provide notices and review for IHSS consumers where a denial of a provider exemption would result in a loss of services, add a one-time notice mailing and exemption request form to all providers who may be eligible for exemptions, and add an annual reassessment evaluation for potential eligibility for exemptions.

- Adopts the May Revision proposal related to the effects on the In-Home Supportive Service program's county Maintenance of Effort (MOE) from the termination of the Coordinated Care Initiative with trailer bill language. The changes rebase the MOE, provide for General Fund support, align state participation in wages and benefits to changes in minimum wage, and provide for state loans to counties in certain circumstances. Adopts "reopener" language, facilitating a review of the implementation of this proposal in two years' time.

- Adopts trailer bill language that provides that, beginning July 1, 2017, if a county does not conclude bargaining with its IHSS workers within nine months, the union may appeal to the Public Employment Relations Board. Outlines the process and requirements for mediation and repeals this section effective January 1, 2020.

- Requires DSS to implement and maintain an automated, nonbiometric identity verification method in the CalWORKs program to replace the Statewide Fingerprint Imaging System (SFIS), with the stated intent to codify additional details regarding this method so that recipients of aid, other than dependent children, will be required, as a condition of eligibility, to cooperate with this method. DSS is required to, in consultation with stakeholders, develop options and present these to the Legislature by November 1, 2017, pursuant to specified criteria. Any method implemented and maintained would be subject to funding in the annual budget act. Once the new method is implemented, the SFIS would be repealed.

- Approves a Budget Change Proposal (BCP) reflecting full-year costs for Child Welfare Services Near Fatality Case Reviews. The BCP requests $480,000 ($240,000 General Fund) for four permanent positions to align with new workload pursuant to the Near Child Fatalities reporting adopted in budget clean-up in 2016.
 Floor Report of the 2017-18 Budget

• Approves the BCP for Continuance of Community Care Licensing (CCL) Staffing Resources. The BCP requests $3.5 million (Special Funds) and increased expenditure authority in the Technical Assistance Fund (Special Fund) to address multiple program and service delivery issues within CCL; includes funding for 5.5 permanent positions.

• Approves a BCP related to Horizontal Integration Office: Transfer to Office of Systems Integration. The BCP requests a budget-neutral movement of three existing, permanent positions and all associated activities from DSS to the Health and Human Services Agency.

• Approves the Administration’s trailer bill proposal to continue suspension of the fingerprint licensing fee exemption. This allows for small savings from foregone spending that would occur without this statutory suspension.

• Rejects the Administration’s trailer bill proposal to delay licensing requirements for private alternative boarding schools and outdoor programs and funds the implementation of current law in 2017-18.

• Approves the Administration’s trailer bill proposal regarding expanding the use of the Local Family Support Account Funds.

• Revises the terms of the Spring Fiscal Letter on Home Care Services Program to the Conference Committee by lengthening the General Fund payback period and reducing the amount of the fee increase so that the fees for Home Care Organizations are raised by $438 to $5603 and fees to Home Care Aides are raised by $10 to $35.

• Approves the May Revision proposal regarding the Fair Labor Standards Act - Travel Time and Medical Accompaniment Wait Time Decreases.

• Approves the May Revision proposal regarding the CalWORKs Housing Program Changes.

• Approves the May Revision proposal regarding the Temporary Assistance for Needy Families (TANF) Block Grant Funds Transfer to California Student Aid Commission (CSAC).

• Approves the May Revision proposal regarding the Stage One Child Care Rate Increase.
• Approves the May Revision proposal regarding the Continuum of Care Reform (CCR) Changes.

• Approves the May Revision proposal regarding the Approved Relative Caregiver (ARC) Program, Infant Supplement, and Dual Agency Rate Parity and adopts trailer bill language to achieve rate equity across care categories and types.

• Approves the May Revision proposal regarding the Reappropriation of Funding for Various Child Welfare Services Items.

• Approves the May Revision proposal regarding the Appeals Case Management System.

**Office of Systems Integration (OSI), Health and Human Services Agency**

• Approves the BCP regarding the Child Welfare Digital Services Adjustment, which increases costs in 2017-18 by $51 million ($25.5 million General Fund) to continue activities related to delivering the Child Welfare Services - New System, including a total of 57.0 permanent positions and vendor contract increases.

• Approves a BCP regarding the Case Management, Information and Payrolling System II (CMIPS II) for Implementation of Paid Sick Leave for IHSS Providers. The BCP requests $4.8 million General Fund as a one-time increase in spending authority to implement paid sick leave for IHSS and Waiver Personal Care Services providers beginning July 1, 2018 pursuant to Chapter 4, Statutes of 2016 (SB 3).

• Approves a BCP regarding CMIPS II Vendor Contract Transitional Activities. The BCP requests $8.9 million ($4.5 million General Fund) to support potential prime vendor contract transition activities if cutover to new vendor materializes, with corresponding Budget Bill Language.

**Department of Developmental Services (DDS)**

• Adopts supplemental report language that asks the Legislative Analyst's Office to examine and report back to the Legislature and Administration on the implications and cost effects of the proposal to sequester funding associated with the closure of Developmental Centers to be used for Regional Center services in the community.

• Adopts trailer bill language that requires that designated housing at Harbor Village first be available for individuals with developmental disabilities receiving services from a regional center. Requires the existing lease be amended to include a portion
of this development for the purpose of developing additional housing units to serve this population. These new housing units will be used to replace and expand the STAR (Stabilization, Training, Assistance, and Reintegration) crisis units at Fairview Developmental Center in anticipation of the developmental center’s closure.

- Adopts trailer bill language that allows state employees under contract with a regional center, under specified conditions, to maintain state employment following vendorization by a regional center until such time that the employee is providing services under that contract.

- Adopts trailer bill language that clarifies that the individualized family service planning team for infants and toddlers eligible under the California Early Intervention Services Act may determine that a necessary medical service is not available through the family’s private health insurance policy or health care services plan, and therefore the regional center may fund it.

- Adopts trailer bill language that requires that performance objectives included in regional center contracts measure progress and outcomes in implementing the Employment First policy. Clarifies that the Department of Developmental Services (DDS or the department) may require the performance contracts to include any annual performance objective they determine to be necessary to ensure the regional center is complying with state laws and regulations.

- Adopts trailer bill language that updates the rate paid for vouchered community-based training services and specified supportive employment services to $14.99 per hour and $36.57 per hour, respectively, to reflect the rate increases provided in Assembly Bill X2 1 (Thurmond), Chapter 3, Statutes of 2016.

- Adopts trailer bill language that exempts individuals participating in a paid internship or, subsequently, competitive integrated employment, from the prohibition on regional center-funded services being provided to 18-22 year olds who are otherwise eligible for services through the education system.

- Adopts trailer bill language that removes the cap on the amount of respite services that can be purchased by a regional center, based on needs identified in the individual program plan, effective January 1, 2018. This restoration of respite services is funded with $5.6 million General Fund ($10.3 million total funds) in 2017-18 and $11.7 million General Fund ($21.6 million total funds) in 2018-19 and ongoing.
• Adopts trailer bill language that specifies that community-based organizations are eligible for disparity grant funding, and requires DDS to post specified information on their website relative to the disparity grant program structure, grant recipients, and evaluation of grant effectiveness in reducing disparities.

• Adopts trailer bill language that requires DDS to provide quarterly updates to the Legislature, through December 2020, on the development of the safety net plan. The safety net plan was released in May 2017 in compliance with the requirement in Welfare and Institutions Code section 4474.15, which requires a plan outlining how DDS will provide access to crisis services after the closure of a developmental center and how the state will maintain its role in providing residential services to those whom private sector vendors cannot or will not serve.

• Adopts trailer bill language that aligns the admission criteria, transition planning, and client rights and protections associated with the developmental centers to the new DDS-operated facilities proposed for development and funded in the budget under the safety net plan.

• Adopts trailer bill language that aligns client protections associated with institutions for mental disease to mental health rehabilitation centers.

• Adopts trailer bill language that ensures that the transition planning process for persons moving from a mental health rehabilitation center, institute for mental disease, or the secured treatment program at Porterville Developmental Center be based on individual needs, developed through an individual placement plan process; and ensure that needed services and supports are provided, including wraparound services.

• Adopts trailer bill language that establishes seclusion and behavioral restraint utilization and reporting requirements for new community-based residential models that are operated by DDS. Requires DDS to develop guidelines regarding the use of restraints or containment in enhanced behavioral support homes, as specified.

• Adopts trailer bill language that, under specified conditions, authorizes a community crisis home using delayed egress devices to also utilize secured perimeters, and exempts a community crisis home or an enhanced behavioral supports home from the requirement that it be eligible for federal funding participation if the department approves use of delayed egress devices with secured perimeters.
• Adopts trailer bill language that expands, under specified conditions, the use of community placement plan funding for broader community resource development in order to address the needs of persons living in the community, following notification to the Legislature, and requires reporting to the Legislature on the development of community housing options for persons with developmental disabilities.

• Adopts trailer bill language that authorizes the department to utilize the Program Development Fund for community resource development projects, as specified, subject to appropriation by the Legislature.

• Adopts trailer bill language that requires the department to convene a working group to consider simplified processes for providers seeking rate adjustments and to report on the working group process and product to the Legislature.

• Adopts trailer bill language that requires the department to annually report at budget subcommittee hearings on research projects undertaken by the department, as specified.

• Appropriates $5.6 million General Fund to support activities associated with the implementation of the aforementioned safety net plan.

• Provides $1.6 million General Fund (one-time) for the Best Buddies program.

• Adopts budget bill language requiring DSS to report on service coordinator caseload ratio status and improvement by April 15, 2018 to inform future decision-making on what investment might be necessary to reach ratio compliance.

• Approves the Headquarters-Community Housing Development Oversight BCP.

• Approves the Capital Outlay Request to fund a Nitrate Removal System at Porterville Developmental Center (DC). The request is for $3.7 million General Fund to install a nitrate removal system to remove to a safe level excess nitrates from domestic water supply, as supported by the Department of General Services contracted study.

• Approves the BCP for Information Security and Privacy Support, which requests $450,000 ($370,000 General Fund) in funding for three permanent positions to provide resources to monitor, train, advise, and support required security activities at headquarters, the DCs, and the regional centers (RCs) for compliance with state and federal information security and privacy laws.

**California Senior Legislature (CSL)**

• Provides $375,000 General Fund (one-time) as bridge funding for the California Senior Legislature to allow it to remain financial solvent through the 2017-18 fiscal year.

• Adopts supplemental report language that asks the CSL to work with the Department of Finance on a long-term financing plan and report back to the Legislature in January 2018.

• Approves the Administration's request for a 2016 Budget Act General Fund Reappropriation of an anticipated unspent $175,000 at the end of 2016-17 until the end of 2017-18.

**California Department of Aging (CDA)**

• Augments funding for the Long-Term Care Ombudsman Program with a one-time $1 million funding shift from the State Health Facilities Citation Account. Adopts budget bill language that provides for this shift annually mid-year, starting in 2018-19, if certain conditions for the Account balance are met.

• Adopts trailer bill language to align with the work currently being undertaken by the California Department of Aging and the Department of Health Care Services with regard to the Multipurpose Senior Services Program. This is a no cost issue. Adopt supplemental report language requiring continuing dialogue with MSSP providers in preparation for their transition into managed care in the continued CalMediconnect effort.

**Department of Community Services and Development (CSD)**

• Adopts trailer bill language that would ensure that in any future procurement processes for single-family energy efficiency and renewable energy services in the Low-Income Weatherization Program (LIWP) administered by the Department of Community Services and Development (CSD) prioritize existing ties to local communities and give preference to organizations with demonstrated performance outcomes, and that the Legislature is included in the development of future procurement processes.

*Assembly Budget Committee*
• Adopts supplemental report language that requires, at minimum, quarterly updates in the form of meetings and documentation to the Legislature and stakeholders on the status of the current, and any future, procurement processes, to begin July 2017.

• Approves the Administration’s BCP request regarding the reappropriation of any unexpended balances of fiscal year 2014-15 local assistance appropriations received from the Greenhouse Gas Reduction Fund (GGRF) to be available for encumbrance until the end of 2017-18 and liquidation until the end of 2018-19.

Department of Rehabilitation (DOR)

• Restores the Administration’s cut of $705,000 General Fund to the Independent Living Centers.

• Approves the Administration's BCP regarding Increasing job coaching rates for the Supported Employment Program. The BCP requested $500,000 General Fund as on-going funding to match the increased supported employment (SE) provider hourly rate identified in the DDS June 2016 New Provider Rate memo as required by AB X2 1 of 2016 that increased DDS SE rates.

• Approves the Administration's BCP regarding Information Security Compliance. The BCP requested two permanent full-time positions at a cost of $280,000 General Fund to provide adequate staffing for DOR's Information Security Office (ISO), compliance with information security and privacy policies, standards, and procedures, and maintain the overall safety and security of DOR data.

• Approves the Administration's BCP regarding the California Innovations Program: Federal Work-Based Learning Grant for Students with Disabilities. The BCP requested one permanent full-time position, with no additional spending authority, to manage this $9 million federal grant over a six-year total period.

Department of Child Support Services (DCSS)

• Approves the Administration’s trailer bill language regarding Extension of Suspension of Improved Performance Incentives, which allows for small savings from foregone spending that would occur without this statutory suspension.

• Approves the Administration’s trailer bill language regarding repeal of the Health Insurance Incentives Program, allows for small savings from foregone spending that would occur without this statutory suspension.
Health and Human Services Agency, Office of Law Enforcement Support (OLES)

- Approves the Administration’s BCP regarding the Office of Law Enforcement Support (OLES) request for Information Technology and Leased Vehicle Funding. • Allocates $25 million in one-time Proposition 98 funding for the existing Classified School Employee Teacher Credential Program for the Commission on Teacher Credentialing to administer an additional 1,250 grants for classified employees to obtain their teaching credential.

• Approves the Governor’s May Revision proposal to provide $11 million in Title II federal funds for the Commission on Teacher Credentialing, in conjunction with the California Center on Teaching Careers, to develop a competitive grant program to help local educational agencies attract and support teachers, principals and other school leaders.

• Approves the Governor’s May Revision proposal to reappropriate $4.5 million in one-time Teacher Credentials Fund carryover for the cost of representation by the Office of the Attorney General in educator discipline cases.

• Approves the Governor’s May Revision proposal to amend provisional language related to reporting requirements for the Office of the Attorney General and Commission on Teacher Credentialing on the teacher misconduct backlog. Modifies the Governor’s proposed language to clarify reporting between average total cost and time to close a case (instead of the total time spent by the Office of the Attorney General within a reporting period).

**Early Childhood Education**

• Approves the Governor’s May Revision proposal to restore funding for child care and preschool programs agreed to in the 2016 Budget Act. These increases include:
Floor Report of the 2017-18 Budget  
June 12, 2017

- $67.6 million ($43.7 million Proposition 98 and $23.9 million non-Proposition 98 General Fund) to provide the full 10 percent increase to the reimbursement rate for State Preschool and center-based child care providers and an additional $92.7 million ($60.7 million Proposition 98 and $32 million non-Proposition 98 General Fund) to provide an additional six percent increase beginning July 1, 2017.

- $40.6 million General Fund to increase the reimbursement rate for voucher-based child care providers to the 75th percentile of the 2016 survey beginning January 1, 2018. Includes a one-year hold harmless provision to ensure that no provider will receive a lower reimbursement rate through December 31, 2018. This is a slight decrease from the Governor’s May Revision, due to updated cost estimates.

- $7.9 million in Proposition 98 funding for an additional 2,959 full-day State Preschool slots.

- Provides $25 million in ongoing General Fund to update the state’s outdated income eligibility requirements for subsidized child care and preschool, including:
  
  - Updating the income eligibility requirements for subsidized child care and preschool to 70 percent of the most recent State Median Income (SMI) (based on data published by the United States Census Bureau, adjusted for family size).
  
  - Allowing parents to remain eligible for subsidized child care and preschool until they reach 85 percent of the SMI.
  
  - Providing continuous 12 month eligibility, allowing families to receive subsidized care for not less than 12 months prior to having their eligibility re-determined (unless the family established eligibility on the basis of seeking employment).

- Rejects the Governor’s proposed trailer bill language to allow for State Preschool programs to have a minimum of one adult for every 12 children (rather than the 1:8 ratio currently required) if the lead teacher has a multiple subject teaching credential and has met the same requirements of a Transitional Kindergarten teacher.

- Requires the Legislative Analyst’s Office to convene a stakeholder process to provide recommendations on existing Health and Safety requirements currently required under Title 22, but not included in Title 5, California Field Act, Title 24, the California Plumbing Code, California Education Code and the California Health and
Safety Code. Requires the Legislative Analyst’s Office to submit a report to the Legislature, Department of Education and Department of Finance with recommendations or observations based on the stakeholder process by March 15, 2018. The Department of Education may begin the emergency regulation process based on the report findings no less than 30 days after the report is released. Exempts State Preschool programs operated by local educational agencies from Title 22 requirements upon adoption of emergency regulations or by June 30, 2019, whichever comes first.

- Provides $1.825 million in one-time General Fund for the YMCA of West San Gabriel Valley to build a designated child care facility to serve underprivileged and homeless youth.

- Adopts trailer bill language requiring the Legislative Analyst’s Office to submit a report to the Legislature by March 1, 2018 on recommended options for incentivizing full-day kindergarten programs, including options for providing differentiated funding rates for full-day and part-day kindergarten.

- Approves the Governor’s proposed trailer bill language to allow for LEAs to align program minutes for State Preschool and Transitional Kindergarten programs. Approves the May Revision changes clarifying that program minutes can be aligned at the same or different school sites.

- Approves the Governor’s proposed trailer bill language to allow children with exceptional needs whose families exceed income eligibility requirements to access part-day State Preschool, if all other eligible children have been served. Approve the May Revision clarifying changes.

- Approves the Governor’s proposed trailer bill language to allow for early education providers to use electronic applications for families applying for subsidized care.

- Approves the Governor’s proposed trailer bill language to align the state’s definition of homelessness with the federal McKinney-Vento Act for purposes of child care eligibility.

- Adopts trailer bill language authorizing the Department of Education, in addition to the Department of Social Services, to enter into a contract with the California Child Care Resource and Referral Network to administer trustline program duties. Specifies that grants or contracts under this section are exempt from certain contracting requirements, including the Public Contract Code, State Contracting manual, and are not subject to approval by the Department of General Services.
• Includes a 1.56 percent cost-of-living adjustment for child care and preschool programs.

• Approves the Governor's proposed caseload adjustments and makes other technical changes.
University of California

- Approves the Governor's Budget proposal to increase UC funding by $131.2 million General Fund.

- Creates a separate budget item for the Office of the President and UC Path. Specifies that the Office of the President will receive $296.4 million General Fund in 2017-18, and UC Path will receive $52.4 million. Includes budget language stating legislative intent that this action will provide more legislative oversight of the office and provide campuses with more revenue to support students and that General Fund support will not be provided unless UC confirms that there will be no campus assessment for support of that office for the 2017-18 fiscal year and that overall campus revenues will be greater in 2017-18 than the previous year.

- Sets an enrollment target for UC to enroll at least 1,500 more California undergraduates in the 2018-19 academic years, and directs UC to work with the Legislature and the Department of Finance on identifying state funding that can be redirected from existing programs and expenditures to support enrollment growth. Requires UC to report to the Department of Finance and the Joint Legislative Budget Committee by Dec. 1, 2017 regarding identified savings.

- Provides $5 million General Fund to support an increase of 500 graduate students in the 2018-19 academic year. Includes language directing UC to prioritize the enrollment of California residents.

- Adopts the Governor's Budget proposal to reduce UC General Fund support by $50 million to replace it with Proposition 56 funding.

- Rejects the May Revision proposal to redirect $4 million General Fund from UC to support Cal Grant awards for students at private colleges and universities.

- Approves budget bill language to withhold $50 million General Fund from UC until UC provides evidence to the Department of Finance by May 1, 2018 that it has completed pilot programs of activity-based costing at the Riverside campus and at two other campuses in three departments each; taken actions to attempt to attain a
ratio at each of its campuses, except for the Merced and San Francisco campuses, of at least one entering transfer student for every two entering freshman students beginning in the 2018-19 academic year; taken actions directed by the California State Auditor in its audit report “Report 2016-130,” dated April 25, 2017, regarding the University of California Office of the President, adopted a policy that prohibits supplemental retirement payments for new senior managers, and provided information on the Office of the President budget to the Legislature. Adds budget bill language stating legislative intent that the withheld funding should not harm campus operations and that the UC report shall also be submitted to the Joint Legislative Budget Committee.

- Provides $2 million one-time General Fund to support best practices in equal employment opportunity. Adopts budget bill language stating the funding should be distributed to selected departments on campuses seeking to create or expand equal employment opportunity programs and require a report to the Legislature by Dec. 1, 2017 that describes the proposed uses of these funds and includes the number of ladder-rank faculty, disaggregated by race, ethnicity, and gender.

- Provides $2.5 million one-time General Fund to create incentive funding for UC campuses to designate as a "hunger-free campus." Adopts trailer bill language requiring campuses to receive funding if they develop free-food pantries, assign a campus employee to help students enroll in the CalFresh program, and develop methods to allow students to donate unused meal plan credits to needy students.

- Adopts trailer bill language that would amend Education Code Section 92495 to require all future buildings built using state funds through the existing capital outlay process to be operated by UC employees. Includes language sunsetting this provision after seven years.

- Provides $169 million one-time Proposition 2 funding to help address the unfunded liability in the UC Retirement Plan. This is the final installment of a total of $436 million in one-time funds provided over a three-year period.

- Directs UC to provide $1.5 million of its appropriation to the Statewide Database program at the Berkeley campus.

- Provides $300,000 General Fund for the Summer Institute for Emerging Leaders.

- Provides $100,000 General Fund for grants administered by the Wildlife Health Center at the Davis campus for large whale entanglement response.

- Increases Item 6440-001-0234 (Research Account in the Cigarette and Tobacco Products Surtax Fund) by $3,000. Based on revenue estimates for the May Revision, the appropriation should be $10,149,000.
• Increases Item 6440-001-3310 (Medical Research Program Account, California Healthcare, Research and Prevention Tobacco Tax Act of 2016 Fund) by $1,208,000. Based on revenue estimates for the May Revision, the appropriation should be $81,956,000.

• Increases Item 6440-001-0007 (Breast Cancer Research Program) by $2,073,000 for a total appropriation of $7,159,000.

• Increases Item 6440-001-3290 (Road Maintenance and Rehabilitation Account, State Transportation Fund) by $5 million, for transportation research per Chapter 5, Statutes of 2017 (SB 1).

• Eliminates the annual Sustainability Plan requirement and amends the annual performance outcomes report to include improvement goals.

• Extends the California Health Benefits Review Program (CHBRP) for three years.

• Extends the sunset date of the Umbilical Cord Blood Collection Program until January 1, 2023. Require UC to provide a report to the Legislature one year before the sunset date that provides information on the program.

• Approves trailer bill language allowing UC to finance deferred maintenance projects with its capital outlay authority.

California State University

• Approves the Governor’s Budget proposal to increase base CSU funding by $162.3 million General Fund.

• Provides $20 million General Fund to support an increase of 2,487 full-time equivalent students in the 2017-18 academic year.

• Provides $12.5 million one-time General Fund to support the Graduation Initiative.

• Adopts budget bill language directing the CSU Board of Trustees to develop a policy to automatically redirect student applications to nearby non-impacted CSU campuses if the student meets the minimum systemwide qualifications but is denied admission to an impacted program or campus.

• Adopts budget bill language directing the CSU Board of Trustees to develop a policy to require campuses to provide admissions priority to students applying to impacted programs if the student lives in the local service area for that campus.

• Adopts budget bill language directing the CSU Board of Trustees to reform its practices regarding the placement of students into remedial coursework, including implementing additional measures for the assessment and course placement of admitted students. The multiple measures approach shall include, but not be limited...
to, placing significant weight on high school transcript data in the assessment of recent California high school graduates, on community college transcript data in the assessment of community college transfer students, and on those transcripts in the subsequent assignment of these students to English and mathematics coursework.

- Rejects the May Revision proposal to redirect $4 million General Fund from CSU to support Cal Grant awards for students at private colleges and universities.

- Provides $2.5 million one-time General Fund to create incentive funding for CSU campuses to designate as a "hunger-free campus." Adopt trailer bill language requiring campuses to receive funding if they develop free-food pantries, assign a campus employee to help students enroll in the CalFresh program, and develop methods to allow students to donate unused meal plan credits to needy students.

- Provides $3 million one-time General Fund to support the CSU San Bernardino Palm Desert campus.

- Provides $2 million one-time General Fund to support best practices in equal employment opportunity. Adopts budget bill language stating the funding should be distributed to selected departments on campuses seeking to create or expand equal employment opportunity programs and require a report to the Legislature by Dec. 1, 2017 that describes the proposed uses of these funds and includes the number of ladder-rank faculty, disaggregated by race, ethnicity, and gender.

- Eliminates the annual Sustainability Plan requirement and amends the annual performance outcomes report to include improvement goals.

- Adopts trailer bill language that would require nonrepresented employees and faculty to work for CSU for at least 10 years before receiving health and dental benefits upon retirement. This would only apply to employees hired after July 1, 2017 and if this language is adopted by the Board of Trustees.

- Adds Item 6610-001-3290 to appropriate $2 million from the Road Maintenance and Rehabilitation Account, State Transportation Fund, to the CSU for transportation research and transportation-related workforce education and training per Chapter 5, Statutes of 2017 (SB 1).

**California Community Colleges**

Assembly Budget Committee
• Adds Item 6980-402 to authorize the Student Aid Commission to make 35,000 initial award offers for the Competitive Cal Grant A and B award program for the 2017-18 award year.

Supplemental Reporting Language

• The Student Aid Commission shall provide the Legislature with options to consolidate existing financial aid programs that serve similar student populations in order to lower students’ total cost of college attendance, including: tuition and fees, books and supplies, transportation, and room and board.

• On or before November 1, 2017, the Legislative Analyst’s Office (LAO) shall review California’s higher education funding system and report to the relevant budget subcommittees and policy committees of the Legislature on options to implement a new funding formula that provides a stable year-to-year funding mechanism for public higher education institutions while providing additional monies to aid those categories of Local Control Funding Formula (LCFF) students currently targeted at the K-12 level—low-income, foster youth, and English language learners (ELL). Along with, student support programs and services, accountability metrics, and the achievement gap across all three segments. In developing options the LAO shall consider but not be limited to the following questions:

1. What are some of the funding sources that could be used for this proposal?
2. What are the categorical programs currently in place at the different segments and what are their respective funding sources?
3. What categorical programs would be included in the proposal?
4. What should the low-income threshold be for the low-income students included in the proposal?
5. What are some options to determining ELL eligibility for those students included in the proposal?
6. Due to the difficulty in determining ELL eligibility at the higher education level, should first-generation students be considered instead of ELL students?

The intent of this report is to determine how additional/supplemental state funding can be targeted to increase the retention and completion rates of underrepresented students (within the LCFF categories) and direct those funds among and within California’s higher education segments. The LAO may convene or work with the existing advisory group of stakeholders to provide input in the development of the recommendations. Set the maximum Cal Grant award level for students attending private non-profit colleges and universities at $9,294. Support this increase through budget bill and placeholder trailer bill language eliminating all private for-profit college participation in the Cal Grant program. Adopt budget bill and trailer bill language to require increased enrollment of low-income California students and community college transfer students.

Assembly Budget Committee
• Require the Governor's Office of Planning and Research to conduct a study reviewing the Master Plan and the state's future workforce needs to determine new cross-segmental strategies to increase college enrollment and completion, improve re-skilling opportunities for adults, and better align higher education and regional economies.

• Require the University of California to answer the following questions:
  o How many outside medical labs does UC contract with?
  o What are the value of contracts with outside medical labs?
  o Did UC issue a request-for-proposal in its attempt to consolidate contracts with outside labs? If so, please summarize the responses
  o Did UC's contractor Vizient prepare a report on potential options for consolidating contracts with outside labs? If so, please summarize this report
Water Conservation as a Way of Life

- Rejects proposed trailer bill language for achieving long-term water conservation and drought resilience. The trailer bill would have required State Water Resources Control Board, in consultation with the Department of Water Resources to set long-term urban water use efficiency standards by May 20, 2021. The trailer bill also would have provided the SWRCB with the authority to issue cease and desist orders to enforce all adopted regulations in the same manner that they have been able to for emergency conservation regulations during the drought.

Open and Transparent Water Data Act

- Approves $200,000 Environmental License Plate Fund to support the initial development of the Open and transparent Water Data Act, established by AB 1755 (Dodd, Chapter 506, Statutes of 2016).

Safe Drinking Water

- Approves $8 million for the State Water Resources Control Board to replace failed wells and to make emergency repairs to community water systems that lack the funds to make immediate repairs or replacements, to connect homes to public wastewater systems for reasons of septic system failure or inadequacy or lack of wastewater treatment, and for point-of-use treatment for domestic wells and public water systems, including schools and public facilities, where water does not meet primary drinking water standards.
Air Resources Board

- Approves to shift $318,000, within the Air Pollution Control Fund, from local assistance to state operations in order to fund two positions. This alignment is necessary to continue implementation of the Carl Moyer Memorial Air Quality Standards Attainment Program, due to changes in workload.

- Approves four positions and $1.489 million ($1.389 million from the Cost of Implementation Account and $100,000 from Distributed Administration) to meet the statutory requirements in Chapter 250, Statutes of 2016 (AB 197).

- Approves an ongoing appropriation of $1.2 million ($488,000 from the Motor Vehicle Account and $798,000 from the Cost of Implementation Account) for the Near-Zero Clean Truck and Bus and Advanced Clean Car Programs.

- Approves an ongoing appropriation of $826,000 from Proposition 1B for program administration and a one-time appropriation of $1.2 million Proposition 1B for local assistance.

- Approves $15 million ongoing General Fund and 28.9 existing positions in 2017-18 growing to 54.1 positions in 2020-21 for the DWR to serve its legislatively mandated role in implementing the Sustainable Groundwater Management Act and supporting local agencies to achieve regional sustainability.

- Approves $413 million in lease revenue bonds for the construction phase of a new emissions testing and research facility in Riverside County. This project would consolidate and replace existing testing and research facilities.

- Approves $826,000 from the Cost of Implementation Account and five positions to investigate, research, develop, enforce, and implement a strategy that will reduce emissions of short-lived climate pollutants in the state.

- Approves four positions and $857,000 to better incorporate “environmental justice (EJ)” considerations into Air Resources Board’s program planning, development, and implementation decisions. The requested resources would help implement the legislative intent of Chapter 586, Statutes of 2015 (AB 1288, Atkins).

- Approves five positions and $2.24 million from the Motor Vehicle Account to support heavy-duty diesel emission reduction efforts. Of the requested funds, $500,000 in ongoing contract funding will be used to procure heavy-duty vehicles and remove engines to facilitate testing, and $1,000,000 in one-time local assistance will be used to fund a pilot Heavy-Duty Diesel engine Repair Program for low-income truck owners with high emitting trucks operating in disadvantaged communities.
• Approves $2,318,000 in 2017-18 and $1,816,000 ongoing thereafter from the Cost of Implementation Account to support implementation of the Air Resources Board's Oil and Gas Methane Regulation. The request includes 2.0 permanent positions and onetime equipment costs of $285,000 from the Oil, Gas, and Geothermal Administrative Fund.

• Approves $2.3 million Air Pollution Control Fund and 14 positions to implement provisions of the Volkswagen Consent Decree for activities related to:
  o Emissions Modification Program - $1.6 million and ten positions.
  o ZEV Investment Plans - $135,000.
  o Mitigation Trust - $490,000.

• Approves $25 million in local assistance from the Air Pollution Control Fund for 2017-18, 2018-19, 2019-20, and 2020-2021 to support the zero-emission vehicle-related aspects of the Enhanced Fleet Modernization Program Plus-Up program or the zero-emission vehicle-related aspects of similar vehicle replacement programs.

• Approves 10.0 positions and an ongoing appropriation of $1,623,000 ($812,000 Vehicle Inspection and Repair Fund and $811,000 Motor Vehicle Account), to form a specialized enforcement team that would focus enforcement efforts in disadvantaged communities and at warehouses and distribution centers within or near these communities.

• Approves 9.0 positions and $1,960,000 (including $1,206,000 for 7.0 positions and three year funding of $450,000 in annual contracts from the Air Pollution Control Fund, and $304,000 for 2.0 positions from various other special funds) to help strengthen its mobile source emission oversight program.

• Approves 1.0 position and $165,000 from various special funds to begin implementing SB 1. SB 1 (Beall, Chapter 5, Statutes of 2017) requires the ARB to develop and implement new tracking, compliance, and enforcement processes so that reductions in emissions from motor vehicles are achieved, and to work in concert with other state agencies as an expert consultant for air quality and greenhouse gas related elements in the bill.

**Baldwin Hills Conservancy**

• Approves a reappropriation of the unencumbered balance of a 2014 appropriation from Proposition 84. These funds will be available for local assistance grants or capital outlay for land conservation, preservation, planning and development, as well as, water quality improvements and habitat restoration in the Baldwin Hills and Ballona Creek Watershed.
California Coastal Commission

- Approves a one-time appropriation of $271,000 from the Protect Our Coast and Oceans Fund for local assistance to support the Whale Tail Grant Program ($206,000) and to promote the “Protect Our Coast and Oceans” Fund ($65,000).

- Approves a two-year appropriation of $637,000 annually from the Coastal Act Services Fund to augment the Commission's baseline state operations budget.

- Approves an appropriation of $244,000 ($122,000 General Fund one-time and $122,000 Coastal Act Services Fund ongoing) for two positions to address recommendations in the December 2016 State Audit and Evaluation Report.

- Approves an appropriation of $260,000 from the Violation Remediation Account for two positions in 2017-18, 2018-19, and 2019-20 to expedite Coastal Act violation case backlog and to implement new statutory authority to impose penalties administratively for violations that impact public access.

California Conservation Corps

- Approves a funding realignment to the approved Vehicle Replacement Plan in FY 2016-17 by redirecting $812,000 from FY 2018-19 to 2017-18. This would allow the Corps to replace 60 vehicles and complete the fleet replacement by June 30, 2018.

• Approves $21 million from Proposition 13 for the Department of Water Resources to construct facilities to improve fish populations in the San Joaquin River Watershed.

• Approves $9.5 million General Fund for emergency drinking water projects and the Save our Water Campaign. This is $8 million reduction from the Governor’s January budget of $17.5 million for DWR to carry out drought-related activities.

• Approves the Administration’s dam safety and emergency response proposal and a revised Proposition 1 Flood expenditure plan. Approves budget bill language to schedule the appropriations in specific expenditure categories, so that the administration must come back to the Legislature to request a change if it wants to redirect funding in a different manner, and include language that funding must be spent in accordance with the framework established in the 2017 CVFPP update and that the delta expenditures are consistent with the Delta Levees Investment Strategy.

• Approves budget bill language to authorize the State to accept and expend federal disaster relief and ratepayer funds, subject to Joint Legislative Budget Committee notification.

• Approves $4 million General Fund for the Department of Water to fund the Friant Kern Reverse Flow Pump Back Project. The Friant Canal is a gravity-fed system connected to major pieces of water infrastructure in the state. This project includes three permanent pump-back facilities on the Friant-Kern Canal and would allow for the flexible movement of water.

**Environmental Protection Agency**

• Approves an annual appropriation of $500,000 for three years from the Cost of Implementation Account for the creation of a water-energy nexus registry pursuant to SB 1425 (Pavley, Chapter 596, Statutes of 2016). The registry would record and register voluntary information on greenhouse gas emission reductions resulting from water systems.

• Approves a one-time appropriation of $1.1 million from the Rural Certified Unified Program Agencies Reimbursement Account (CUPA Account) to expand the rural county Certified Unified Program Agency support program from the existing 13 Certified Unified Program Agencies to 24. This proposal also requests to shift $835,000 in CUPA Account from state operations to local assistance.

• Approves $1 million General Fund for Green Small Business Network, which supports green business certification program. These programs result in reduction of water and energy use and reduce pollution generated by these businesses.
Department of Food and Agriculture

- Approves the following resources to implement the new Federal Produce Safety Rule requirements: $1.9 million in Federal Fund authority in 2017-18 and 7.0 permanent positions; $2.3 million in Federal Fund authority in 2018-19 and 9.0 permanent positions; $2.4 million in Federal Fund authority in 2019-20 and 9.0 permanent positions; and $3.4 million in Federal Fund authority in 2020-21 and 14.0 permanent positions.

- Approves $110,000 in Department of Food and Agriculture Fund Authority and 1.0 position in 2017-18, and $105,000 and 1.0 position in 2018-19 and ongoing to implement AB 2511 (Levine, Chapter 331, Statutes of 2016).

- Approve supplemental report language to require reporting on the awards for the 2016-17 methane reduction funding and for the report to include a discussion of required mitigation efforts undertaken by the department to comply with the provisions of SB 859.

- Approves $1,751,000 in Federal Fund authority annually for two years and 20 permanent positions to create Emergency Plant Health Response Teams.

- Approves requests an ongoing appropriation of $2,046,000 General Fund and 8.5 positions to implement SB 27 (Hill, Chapter 758, Statutes of 2015). SB 27 enforces limits on antimicrobial use in livestock and requires CDFA to develop stewardship guidelines, track antimicrobial sales and collect information about on-farm use, sample pathogens for resistance trends and report to the legislature.

- Approves ongoing appropriation of $312,000 from the Cost of Implementation Account and two permanent positions to implement SB 1383 (Lara, Chapter 395, Statutes of 2016). SB 1383 (Lara, Chapter 395, Statutes of 2016) requires the Air Resources Board to develop dairy/livestock manure methane regulations and analyze progress in consultation with CDFA.

- Approves the following resources to fortify the infrastructure of the state’s pest prevention system:
  
  - For 2017-18: $1.8 million General Fund, $2.6 million in Department of Food and Agriculture Fund authority, and 190.5 positions (25.5 permanent positions and a conversion of 165 temporary positions to permanent positions).
  - For 2018-19 and ongoing: $1.9 million General Fund, $2.9 million in Agriculture Fund and $570,000 of Reimbursements and 194 positions (29 permanent positions and a conversion of 165 temporary positions to permanent positions).
• Approves $3.088 million General Fund to construct the North Valley Animal Health Laboratory, a new full-service animal health laboratory in the northern San Joaquin Valley.

• Approves trailer bill language to clarify that Government Code section 16428.86 only applies to projects that utilize digester technology as part of livestock manure management operations and dairy manure management operations.

• Approves $250,000 General Fund for small dairy climate change research in order to understand the greenhouse gas emission levels and appropriate reductions for smaller dairies. Adopts supplemental reporting language to request the department to create a small diary action plan.

• Approves trailer bill language to authorize CDFA to establish a stand-alone milk quota program.

Native American Heritage Commission

• Approves $254,000 General Fund and 3.0 positions in 2017-18, and $485,000 ongoing to support increased work load of Sacred Lands File searches. Also approves trailer bill language proposed to authorize the Native American Heritage Commission to establish fees to recover the costs of providing the services.

Natural Resources Agency

• Approves to revert and reappropriate $4.4 million in Proposition 13 river parkways funds.

• Approves $100,000 from the California Cultural and Historical Endowment (CCHE) fund to make an existing position permanent to support the Museum Grant Program.

• Approves a total of $9 million and 15 positions in FY 2017-18 ($1.2 million and 7 positions ongoing) for three state entities to implement the Timber Regulation and Forest Restoration Program.

• Approves to transfer $5.4 million dollars, on a one-time basis, from the State Water Resources Control Board Once-Through-Cooling Interim Mitigation Program mitigation payments to the Ocean Protection Trust Fund.

• Approves to reappropriate the unencumbered balances of several appropriations to complete projects that are underway and to award new grants with funds from projects that came in under budget and for projects that were unsuccessful.
• Approves $675,000 from Cost of Implementation Account to develop a baseline analysis of statewide natural and working lands carbon emissions, carbon sequestration potential, as well as management and biomass utilization activities that can be employed to meet California’s target of managing these lands as a resilient net carbon sink.

• Approves $20,464,000 of Proposition 84 funding for the implementation of the San Joaquin River Restoration Settlement. The funds will be used to reimburse interagency agreements with the California Department of Water Resources and the California Department of Fish and Wildlife for work related to the implementation of the San Joaquin River Restoration Project.

• Approves $150,000 in Environmental License Plate Fund to implement AB 2800 (Quirk, Chapter 580, Statutes of 2016). AB 2800 requires CNRA to establish and manage a Climate-Safe Infrastructure Working Group, comprised of registered engineers, scientists, other institutions, and registered architects to provide recommendations to the Strategic Growth Council and Legislature on how to integrate scientific data concerning projected climate change impacts into state infrastructure engineering.

• Approves the establishment of the Natural Resources and Parks Preservation Fund.

• Approves the reappropriation of the balances in Item 0540-101-0001, Budget Act of 2016 and makes these funds available for encumbrance or expenditure until June 30, 2018.

• Approves $36.5 million with an extended encumbrance period of 5 years for a number of legislative priorities. Specifically:
  - Appropriate $15 million General Fund to begin the process of procuring 207 acres of undeveloped property in the West Coyote Hills to be preserved as open space. This funding will allow the City of Fullerton to acquire additional acreage of this last remaining open space.
  - Appropriate $750,000 General Fund for La Puente Park to replace the underused handball courts with a skate park to offer a safe diversion for youth of this disadvantaged community.
  - Appropriate $500,000 General Fund for a Type-3 brush fire engine for Colton, CA. Colton currently lacks the equipment to fight brush fires, but is at risk for these dangerous and devastating fires.
o Appropriate $1.173 million General Fund for the City of Baldwin Park to make improvements to the Walnut Creed Nature Park and Morgan Park in order to make the parks more assessable for that community.

o Appropriate $15,000 General Fund for a statue of Rosa Parks for the Rosa Parks Memorial State Building in San Bernardino.

o Appropriate $2 million General Fund for the Agency to commission a study with Lake County and the University of California, Davis for the rehabilitation of Clear Lake.

o Appropriate $2 million General Fund for the Wildlife Health Center, University of California at Davis, to administer grants to local marine mammal stranding network members for the ongoing marine mammal rescue effort in California.

o Appropriate $100,000 General Fund for the Wildlife Health Center, University of California at Davis, to administer grants to the large whale emergency response team to help with disentanglement emergency efforts.

o Appropriate $1 million for the Lower American River Conservancy Program within the Wildlife Conservation Board to protect and enhance the Lower American River.

o Appropriate $2 million for enhancements at the Golden Gate Park and Fulton Dog Parks.

o Appropriate $1 million for erosion, trail, signage, dock and recreational improvements around the Lake Merced.

o Appropriate $1 million to assist in building the Chicano Art Museum in the City of Riverside.

o Appropriates $10 million for restoration projects that protect and enhance the Los Angeles River.

Office of Environmental Health Hazard Assessment

- Approves $574,000 annually, for two years from the Safe Drinking Water and Toxic Enforcement Fund to pay for defense of civil lawsuits brought against OEHHA for actions taken as lead agency for purposes of Proposition 65.

- Approves $304,000 annually, for two years from the Safe Drinking Water and Toxic Enforcement Fund to provide advice and consultation on when Proposition 65 warnings are required for specific products or facilities, and to conduct the assessments needed to make such determinations. The resources are requested in anticipation of the workload associated with increasing requests from businesses and trade organizations for this kind of compliance assistance, and from the
Department of Justice and other governmental entities that are enforcing Proposition 65.

- Approves 1.0 permanent position in OEHHA to provide technical assistance to the Regional Water Quality Control Boards and to local governments on human health risk assessments on contaminated sites. The position will be funded by reimbursements from an existing interagency agreement with the State Water Resources Control Board.

- Approves 1.0 permanent position to prepare periodic reports presenting indicators of climate change and its impacts on California. The position will be funded through an interagency agreement between OEHHA and CalEPA.

- Approves $366,000 annually for three years (including $50,000 in contract funding), from the Oil, Gas and Geothermal Administrative Fund, to evaluate chemicals used in oil and gas well stimulation treatments in California. The requested resources would enable OEHHA to develop an inventory of chemicals used in well stimulation treatments, evaluate the health and environmental hazards the pose, identify and fill gaps in scientific information on these chemicals, and identify and evaluate potential alternatives to the high-hazard chemicals.

**San Diego River Conservancy**

- Approves for the conversion of one limited-term position to permanent position to manage the Proposition 1 grant program and continue other reporting required by permits for its invasive non-native control and restoration program.

**San Gabriel and Lower Los Angeles River and Mountains Conservancy**

- Approves to revert $1,823,000 from the Budget Act of 2015. This request is necessary to prevent a negative Proposition 40 bond allocation balance for the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy (RMC).

**San Joaquin River Conservancy**

- Approves $30,000 ongoing from the Environmental License Plate Fund to support the Conservancy's current operations. The Conservancy’s budget has not increased since 2001. The Conservancy’s activities include developing and implementing the San Joaquin River Parkway Master Plan and supporting the San Joaquin River Conservancy Board.
Santa Monica Mountains Conservancy

- Approves a one-time appropriation of $750,000 Proposition 1 for planning, monitoring, and implementation of Proposition 1 projects and a request to reduce reimbursement authority by the same amount.

- Approves $20,000 Environmental License Plate Fund for local assistance grants to provide outdoor education programs.

- Approves a local assistance appropriation of $963,000 from Proposition 84. In February 2017, there was a return of proposition 84 funds from a Conservancy grant. This proposal is for a new appropriation of up to $963,000 of these returned funds to be used for local assistance for the implementation of projects consistent under Proposition 84.

- Approves to reappropriate Propositions 40 and 50 funds included in the Budget Act of 2012. Additionally, the Conservancy requests the funds be available for encumbrance and expenditure until June 30, 2020.

- Approves $3.5 million General Fund to acquire the Big Tujunga Wash in order to preserve it for open space.

Sierra Nevada Conservancy

- Approves a one-time appropriation of $50,400 Proposition 84 and $30,000 ongoing until funds for planning and monitoring within Proposition 84 is exhausted.

- Approves a fund shift of $550,000 Proposition 1 funds from local assistance to planning and monitoring, which includes CEQA reviews and staff monitoring of grant projects.

- Approves a local assistance appropriation of $285,000 from Proposition 84. These funds will be used to award grants and cooperative agreements to governmental agencies, eligible nonprofit organizations, and tribal organizations to accomplish the SNC's mission to initiate, encourage, and support efforts that improve the environmental, economic, and social well-being of the Sierra Nevada Region.

- Approves an ongoing Federal Trust Fund Authority of $30,000. The California Natural Resources Agency has entered into a Memorandum of Understanding with the U.S. Forest Service which recognizes "the importance of the Sierra Nevada Region and the need to work collaboratively to address the issues of the region under the Sierra Nevada Watershed Improvement Program."
State Coastal Conservancy

- Approves an on-going appropriation of $420,000 from various sources for state operating expenses. Specifically, $120,000 from the Environmental License Plate Fund, $230,000 from Proposition 12, $15,000 from the State Coastal Conservancy Fund, $50,000 from the Coastal Access Account, and $5,000 from Proposition 1.

- Approves a baseline reduction of $226,000 from the California Beach and Coastal Enhancement Account (from $315,000 to $89,000), with provisional language to allow these funds to be used for local assistance and capital outlay in order to continue implementation of the Conservancy’s Public Access, Education, and related programs.

- Approves a $2 million increase in Federal Trust Fund authority and $10 million in reimbursement authority for local assistance. The Conservancy anticipates an increase in federal, state and other grants over the next several years.

- Approves a $233,000 increase in Federal Trust Fund authority and a $500,000 increase in reimbursement authority for state operations.

- Approves to revert and reappropriate $14.62 million from Proposition 12 for local assistance and capital outlay, and have the funds be available for encumbrance until June 30, 2020.

- Approves a reduction of $3,100,000 from Proposition 12. This reduction will prevent a negative balance in Proposition 12 and bring the amounts appropriated to the Conservancy into alignment with available Proposition 12 bond funds.

- Approves a one-time appropriation of $89,000 from the California Beach and Coastal Enhancement Account with provisional language to allow these funds to be used for local assistance and capital outlay in order to continue implementation of the Conservancy’s Public Access, Education, and related programs. The Conservancy additionally requests for a baseline reduction of $226,000 from the same account.

- Approves $226,000 Environmental License Place Fund to support the Explore the Coast Grant Program, which brings people to the coast, increase stewardship of coastal resources, and provide educational opportunities.
Special Resources Program: Tahoe Regional Planning Agency

- Approves $250,000 from the Harbors and Watercraft Revolving Fund to help fund remediation and the necessary environmental review during FY 2017-18. An identical budget request has been submitted to the State of Nevada.

State Lands Commission

- Approves a one-time appropriation of $200,000 ($100,000 from the Marine Invasive Species Control Fund, and $100,000 from the Oil Spill Prevention and Administration Fund), for contracted records digitization services.

- Approves a one-time appropriation of $1.2 million from various funds ($382,000 General Fund, $237,000 Marine Invasive Species Control Fund, $808,000 Oil Spill Prevention and Administration Fund, and $37,000 School Land Bank Fund) for moving and set up expenses for the relocation of the Commission's Mineral Resources Management Division and Marine Environmental Protection Division offices in Long Beach. The budget also proposes ongoing funding of $235,237 ($62,000 General Fund, $38,000 Marine Invasive Species Control Fund, $129,000 Oil Spill Prevention and Administration Fund, and $6,000 School Land Bank Fund) for increased rent.

- Approves $470,000 General Fund to support the state’s obligation to pay a proportionate share of certain ongoing hazardous waste remediation costs at the Selby Slag site pursuant to a 1989 consent judgment.

- Approves $700,000 General Fund to conduct Phase 2 activities related to the abandonment of the Becker Onshore Well. Oil is leaking from the well causing sheening to occur in the ocean off Santa Barbara County.

- Approves a one-time appropriation of $1.0 million General Fund to fund operations and management costs for the Bolsa Chica Lowlands Restoration Project in Orange County. The Bolsa Chica Lowlands is the largest coastal wetland restoration project in the history of southern California, with a total investment of over $150 million dollars.

- Approves a one-time appropriation of $580,000 from the General Fund to fund contracted legal services to represent California’s interests in the bankruptcy proceedings of In re: Rincon Island Limited Partnership in Dallas, TX.

- Approves a one-time General Fund loan of $10 million to provide adequate staffing for Platform Holly and the Ellwood Onshore Facility, and the plugging and abandonment of the oil wells on the platform and at the Ellwood Beach Piers.
State Water Resources Control Board

- Approves a total of $9 million and 15 positions in FY 2017-18 ($1.2 million and 7 positions ongoing) for three state entities to implement the Timber Regulation and Forest Restoration Program.

- Approves $2.3 million from the Water Rights Fund - $750,000 ongoing and $1.5 million one-time, and five new positions for SWRCB to develop the SGMA reporting unit in order to implement enforcement and intervention requirements.

- Approves $1 million in Underground Storage Tank Cleanup Fund and seven permanent positions to increase efficiency in processing claim payments.

- Approves $410,000 from the Water Rights Fund to create 2.5 permanent positions to develop and implement water quality certification for the Lower Klamath Project.

- Approves an extension of the encumbrance and liquidation period of the state contract funds to conform to the period of availability of the local assistance grant funds included in SB 828 (Committee on Budget and Fiscal Review, Chapter 29, Statutes of 2016.)

- Approves to revert and reappropriate $6.8 million in the Underground Storage Tank Petroleum Contamination Orphan Site Cleanup Fund (OSCF) to be available for encumbrance through 2020.

- Approves a reversion and reappropriation of $8.3 million in order to align budget authority to actual expenditure plan. This proposal affects fund authority in propositions 13, 84, 50, and 204.

- Approves $381,000 from the State Water Quality Control Fund - Cleanup and Abatement Account to Waste Discharge Permit Fund to pay for fish consumption advisory services provided by the Office of Environmental Health Hazard Assessment.

- Approves $1 million from the Oil, Gas, and Geothermal Administrative Fund for three years and seven positions to ensure Class II underground injection control projects are in compliance.

- Approves $2.9 million from the Water Data Administration Fund in 2017-18 and $2 million in 2019-20 and ongoing to support eight positions across three departments to implement the Open and Transparent Water Data Act.

- Approves $1 million in Underground Storage Tank Cleanup Fund (USTCF) and seven permanent positions to increase efficiency in processing claim payments.

Assembly Budget Committee
• Approves $600,000 to support four positions to conduct drought-related compliance and enforcement issues currently underway at the State Water Resources Control Board.

• Approves two positions to establish a new conservation unit within the Office of Research, Planning, and Performance to support efforts consistent with the April 2017 report “Making Water Conservation a California Way of Life.”

• Approves $1 million in authority from the Waste Discharge Permit Fund and 5 positions to support ongoing regulatory efforts to protect drinking water sources and reduce nitrate loading to groundwater.

**Wildlife Conservation Board**

• Approves to revert and reappropriate $141,000 Proposition 12 for the Conservancy’s land acquisitions, public access, recreation, and environmental restoration projects.

• Approves a one-time appropriation of $1,000,000 from the Wildlife Restoration Fund for capital outlay projects within the Wildlife Conservation Board’s Public Access Program. The requested funds are for six projects for FY 17/18, as follows: one project for fishing access site, two projects involving the construction of hiking trails, and three projects involving the construction and/or renovation of boat launch facilities.

• Approves an ongoing appropriation of $85,000 Proposition 1 for state operations to support an interagency agreement with the State Water Resources Control Board and to fund temporary help needed to provide intermittent resources that will assist with proposal review and grant agreement execution.

• Approves an ongoing appropriation of $140,000 Proposition 12 for program delivery. The funding will be used to support the cost of a 0.5 PY Senior Environmental Scientist position and a 0.5 PY Senior Land Agent position responsible for Proposition 12 project delivery.

• Approves a one-time allocation of $3.7 million from naturally reverted funds in Proposition 12 for local assistance and capital outlay projects.

• Approves the reappropriation of the unencumbered balance of 8,745 million from Proposition 50 and would make these funds available for encumbrance through June 30, 2020.

• Approves a new appropriation of $11 million from Proposition 84 for Natural Communities Conservation Planning and to revert the unencumbered balance of
a prior appropriation in FY 2008. The funds will be used for grants to implement or assist in the establishment of NCCP’s.

- Approves the new appropriation of $5.7 million from Proposition 84 and to revert the unencumbered balance of a previous appropriation in FY 2009. This will allow the WCB to continue its support of administering grants to local agencies to implement or assist in the establishment of Natural Communities Conservation Planning for the areas in or around the Sacramento-San Joaquin Delta.

- Approves to make two limited-term positions, expiring July 1, 2017, full-time permanent positions for the ongoing needs of the Stream Flow Enhancement Program.
Cap-and-Trade Program

- Does not approve the Administration’s proposal to extend the Cap-and-Trade program.

- Provides bare-bones funding for support staff in various state departments currently working on the Cap-and-Trade program to “keep the lights on” for these programs.

- Adopts “clean up” trailer bill language to clarify that provisional language regarding grants from the 2016 Budget Act in the California Department of Food and Agriculture’s budget only applies to dairy digesters grants. Also, provides an Administrative Procedure Act exemption to Greenhouse Gas Reduction Funds appropriated in the 2016 Budget Act.
California State Transportation Agency

- Provides $3.5 million General Fund to the Contra Costa Transportation Authority for expansion of an autonomous vehicle testing facility and requires these funds to be matched with local funds.

California Transportation Commission

- Approves 4.0 permanent positions and $1.1 million (funding from the State Highway Account and the Public Transportation Account) to implement the recently enacted Road Repair and Accountability Act of 2017 (SB 1).

- Approves $395,000 in State Highway Account and Public Transportation Account funds for two permanent positions and one reclassified position to implement the legislative priorities of the Active Transportation Program and new statewide and regional transportation planning requirements.

- Adopts trailer bill language that would amend the Active Transportation Program to provide authority for the California Transportation Commission to approve “Letters of No Prejudice” to provide project sponsors with a tool to initiate projects with their own resources prior to the programming year.

California Department of Transportation

- Approves $1.5 billion in local assistance and capital funding for projects for transportation programs under SB 1, the Road Repair and Accountability Act of 2017. Of the total amount requested in year one, $904.6 million consists of local assistance appropriations and $592.8 million consists of capital outlay appropriations.
• Approves $477.8 million with a net zero increase in staff to support the Department’s initial tasks for implementation of SB 1 and modifies the proposed provisional language to ensure that vacancies are filled first. The language allows for a mid-year resource augmentation, if necessary.

• Approves the transfer of 48 existing permanent positions from Caltrans’ audit division to the new Independent Office of Audits and Investigations (Office) and establishes 10 new permanent positions within the Office, for a total of 58 positions. To fund these positions, provides $9.5 million State Highway Account funds.

• Approves a net decrease from the Capital Outlay Support budget proposed in January of $29.3 million and 283 full time equivalents (FTE) (includes 243 staff positions, the FTE of 26 positions for Architectural and Engineering Contracts, and the FTE of 14 positions for personal services/cash overtime).

• Rejects the Governor’s ten-year $4.2 billion annual package of expenditure and funding proposals for transportation programs and related trailer bill language because the Road Repair and Accountability Act SB 1 (Beall, Chapter 5, Statutes of 2017) was adopted instead providing $5 billion annually in new transportation funds for various purposes.

• Adopts clean up trailer bill language related to the implementation of the Road Repair and Accountability Act of 2017 (SB 1).

• Adopts trailer bill language that will help to expedite project delivery for five specified projects in the Riverside County Transportation Efficiency Corridor, but some authority also provides statewide benefit to expedite other SB 1 projects. Also, makes other technical clarifications to SB 132 (Committee on Budget and Fiscal Review, Chapter 7, Statutes of 2017).

• Adopts trailer bill language that directs the Los Angeles County Assessor to assess SR 710 properties sold by Caltrans at an affordable or reasonable price, at those sales prices, instead of the market rate. This clarification will allow the properties to be sold as intended to low-income current tenants, where applicable, and sold without further delay.

• Modifies the Administration’s proposed provisional language that will provide initial funding of up to $20 million State Highway Account funds (matched with up to $20 million federal funds) for its zero-emission vehicle (ZEV) project. The modification expands the use of these funds to hydrogen fueling stations.
• Approves $4.0 million from the State Highway Account and six permanent positions to upgrade and improve the Information Technology Cyber Security Program.

• Approves $12.0 million in State Highway Account funds to replace outdated information technology (IT) infrastructure.

• Approves 14 two-year limited term positions and $2.3 million in State Highway Account Reimbursement authority for services rendered on behalf of the California High Speed Rail Authority.

• Provides a reappropriation of $737,000 in State Highway Account funds and $750,000 in federal funds to undertake additional work for the Road Use Charge Pilot Program. Rejects provisional language that would allow the department to provide matching State Highway Account funds, up to $10 million for Road Charge Demonstration projects pursuant to the receipt of federal grants. Adopts provision language requiring Caltrans to provide the Legislature a report on the pay at the pump study by July 1, 2008.

• Approves a one-time operating expense increase of $5.5 million in State Highway Account Funds for fleet insurance costs. Also, adopts Supplemental Report Language directing the Legislative Analyst’s Office to examine the causes of Caltrans’ traffic accidents over the last five years and industry best practices for safe driver training, and recommend a safe driver training program that aligns with reducing the causes of the accidents, as well as other options to contain costs and provide a report by January 1, 2018.

• Rejects the request for an increase of up to $24.5 million in State Highway Account (SHA) reimbursement authority for the Bay Area Toll Bridge (BATA) maintenance work upon execution of a revised Memorandum of Understanding (MOU) because negotiations are underway and will not be completed in time to be included in the 2017-18 budget.

High-Speed Rail Authority

• Approves $750,000 from the Property Fund for expenses associated with owning property.

Board of Pilot Commissioners

• Approves a budget augmentation of $129,000, increasing by $8,000 each year for the Board of Pilot Commissioners to fund increases costs associated with renting office space in San Francisco.
California Highway Patrol

- Approves $2.8 million from the Motor Vehicle Account to upgrade the phone equipment and related infrastructure at several of its facilities in the Sacramento region, and provisional authority for an additional $1.0 million upon approval by the Department of Finance with prior notification to the Joint Legislative Budget Committee for costs associated with design, asbestos abatement, and general construction.

- Approves one-time funding of $894,000 from the Motor Vehicle Account to cover the costs associated with the department’s use of the California Department of Technology’s Integrated Database Management System.
