**OVERVIEW**

The Legislature’s Version builds on priorities put forward in the Assembly’s “A Budget of Opportunity” blueprint, the Senate’s “Build Back Boldly” plan, and the Governor’s May Revision.

As a result, the Legislature’s Version provides a responsible, bold budget that makes transformative change for California.

California is roaring back – but it is not by accident or due to good fortune. California’s finances survived the COVID-19 economic crisis and have put the state in position to make transformative change due to:

- A decade of responsible budgeting – which began with voters putting Democrats in full control of the state’s finances starting in 2011 – that provided the tools to get through the temporary downturn without having to impose economy harming cuts to programs or middle class tax increases;
- Robust federal stimulus actions that kept families afloat and prevented the economy from spiraling out of control; and
- A common sense, voter-approved, revenue system that requires all Californians to contribute, but relies more heavily on the wealthiest Californians that have benefited the most from California and can most afford to pay.

The Legislature’s Version framework differs from the May Revision in two primary ways. First, it maximizes flexible federal funds to support and improve core programs. And second, the Legislature’s Version uses the revenue forecasts of the Legislative Analyst’s Office, naturally, as well as up to date revenue performance through the month of May in the current year.

The LAO revenues are modestly higher in the short term and help support transformative actions outlined in this summary, but much of the increase revenues are constitutionally dedicated to schools, reserves, and debt payments pursuant to Proposition 98 and Proposition 2. It is

important to note, that while the LAO's forecasts in recent years have proven to be more accurate than others, their projections have also been well below actual performance, and it is not unreasonable to believe that actual revenue performance in the coming years will significantly exceed the forecast contained in the Legislature's Version.

All told the updated Legislature's Version contains total spending of \$264.1 billion, of which \$195.5 is from the General Fund, and total General Fund reserves equaling a record \$25.5 billion.

Total Proposition 98 spending is a record, \$96.1 billion, including \$69 billion from the General Fund.

The following provides a summary of key aspects of the Legislature's Version, followed by more detailed highlights by each subject area.

## Top Legislative Priority

### **Responsible Budgeting**

Since taking full control of the state's finances in 2011, Legislative Democrats have made responsible budgeting a top priority. Gone are the bad old days of perennial late budgets, careening from one fiscal crisis to the next without ever having a structurally balanced budget, and constantly slashing funding for schools and critical programs and squeezing the middle class.

California's finances survived the COVID-19 downturn in large part because of the responsible budgeting, the Legislature's Version does more than ever before to protect state budget from the next inevitable downturn.

The following are key responsible budgeting elements of the Legislature's Version:

- **Record Reserves.** Provides a total of \$25.2 billion in General Fund reserves, higher than any level in history. The reserves include:
  - \$3.2 billion in the Regular Reserve (SFEU)
  - \$1.2 billion in the Safety Net Reserve
  - \$5.3 billion in the Prop 98 Reserve
  - \$15.9 billion in the Rainy Day Fund (Budget Stabilization Account).

The reserves increase each year and will total over \$35 billion by 2024-25.

- **Full Pay-Off of Prop 98 Deferrals.** Pays off \$11 billion of Prop 98 deferrals, include \$2.6 billion not proposed in the May Revision. Paying down deferrals gets local school and

community college districts cash for their programs and replenishes an important budget tool to assist with the next economic downturn.

- **Prepayment of General Obligation Bond Debt.** Pays \$1 billion of General Obligation Bond payments early, which will reduce required spending in future years.
- **Pays Schools and Community College Pension Costs.** Allocates nearly \$3 billion over the next four years for supplemental pension payments for schools and community colleges, including \$400 million in 2021-22 to offset future costs.
- **No Phony Suspensions.** Approves the May Revision proposal to end the practice of building in phony suspensions into the out-years that would paint an unrealistic fiscal outlook. Instead, the ongoing costs of programs are fully accounted for in the out-years to present an accurate multi-year forecasts.
- **Under the Constitutional Appropriations Limit.** Maintains total spending as much as \$30 billion below the Constitutional appropriations limit for 2021-22. And over the two year period of the current year and budget year, combined the budget is below the appropriations limit.

## Transformative Actions

### Economic Stimulus, Relief for Families & Small Business/Non-Profits

While California's state finances have survived and bounced back after the COVID-19 downturn, many California families and small businesses continue to struggle.

The Legislature's Version builds on the historic investment in families and small businesses made by the federal and California governments, including:

- **\$8.1 Billion Golden State Stimulus 2 – Historic Level of Tax Cuts.** Approves the Governor's proposed Golden State Stimulus 2 to provide \$8.1 billion in tax cuts to Californians with income of up to \$75,000. This will provide taxpayers with payments of \$500, \$600, 1,000 or \$1,100, depending on their filing status. Combined with early action tax relief for families and businesses, this totals approximately \$14.7 billion in tax relief – a historic level of tax cuts by any measure.
- **\$1.5 Billion Small Business / Non-Profits Grants.** Approves the Governor's proposed additional \$1.5 billion in small businesses and non-profit grants, bringing the total investment in the Small Business COVID-19 Relief Grant Program to \$4 billion.
- **\$2 Billion Unemployment Insurance Mitigation for Small Businesses.** Provides \$2 billion of tax relief over a ten year period for small businesses to mitigate impacts of

Unemployment Insurance repayments, beginning in 2023. This replaces the Governor's \$1.1 billion proposal that would not target relief to small businesses and would not have a practical benefit to any business until 2030.

## **Education**

**Early Care and Education.** The Legislature's Version of the budget improves upon the Governor's strong to make historic and transformative improvements for Early Care and Education. Strong Early Care and Education investments are critical to healthy families, and it is critical that child care providers are compensated fairly. Key Early Care and Education improvements include:

- **Child Care Rate Reform.** Provides \$1.1 billion in ongoing funds above the May Revision to implement Child Care Rate Reform for child care and state preschool providers which helps ensure providers can be fairly compensated and run successful businesses that provide vital services for families.
- **Child Care Slots.** Increases child care access by 206,500 slots in Alternative Payment, General Child Care, Migrant Child Care, bridge program for foster children, and prioritizes ongoing vouchers for essential workers currently receiving short-term child care. The package provides a total of \$1.469 billion (\$1.026 billion General Fund) in 2021-22 and \$2.724 billion (\$1.809 billion General Fund) in 2022-23 for new child care slots.
- **Universal Transitional Kindergarten.** Adopts universal Transitional Kindergarten (TK) as part of a mixed delivery system, phasing in expanded age eligibility to full implementation in 2025-26 and rebenching the Proposition 98 Guarantee to provide ongoing funding for the TK expansion of approximately \$2.7 billion at full implementation.
- **Key One-time Investments.** Provides a variety of one-time investments to stabilize providers growing out of the pandemic, including stipends, hold harmless policies. Makes additional investments in child care facilities (\$250 million one-time General Fund and \$205 million one-time federal stimulus funds) and the early care and education workforce (\$250 million one-time federal stimulus funds).

**TK-12 Public Education.** A key part to California's pandemic recovery is the transformation of our public education system, and significant investments in California's children and our shared futures. In addition to TK expansion listed above, the Legislature's Version includes over \$21,000 per-student spending and various initiatives to change the culture of public education including:

- **Community Schools.** Provides \$2 billion to launch a statewide initiative to build accessible community wellness and student health hubs on over 1,000 school campuses. The Community School model addresses students' and their families' most critical health and service needs, to support students in academic success. The Legislative Version

adds universal meals to the education model, allowing all students who need a healthy breakfast or lunch at school, to receive one, year round at their local school.

- **Expanded Learning.** Builds upon the Governor’s vision for expanding after school and summer options with \$1 billion in ongoing program support, and \$2.3 billion in one-time funding, for free after school and summer options for all low-income students through the 2022-23 school year. This improves the standard schedule for public schools to better meet the needs of working families
- **Special Education.** Provides ongoing special education funding to increase the statewide base rate for the special education formula and fund special education services for children ages 3-5 years old. In addition, one-time funds of over \$1 billion are provided for to invest in increased support for special education learning loss and increasing support for inclusive practices.
- **Career and College Readiness.** Doubles high school student access to career and college-prep coursework and training.

### **Access to Higher Ed, Financial Aid & Path to Debt Free College**

Access to affordable higher education is a cornerstone of a strong middle class. While California has done a good job to keeping tuition low, and has been able to eliminate tuition entirely for the 55 percent of CSU and UC students that qualify for Cal Grants, non-tuition costs and out of date rules that shut out qualified students from Cal Grants has resulted in students relying on student debt.

The Legislature’s Version of the budget makes the biggest expansion to Cal Grants since its inception and reboots the Middle Class Scholarship to also supplement Cal Grant for the first time to cover non-tuition costs for students receiving Cal Grants.

Here are the Details:

- **Cal Grant Enrollment Expansion.** Provides \$488 million ongoing to end the age and time out of high school requirements that for too long have locked deserving students out of the Cal Grant program. This will begin in the upcoming school year with \$154 million for 133,000 community college students and then expand to 40,000 CSU and UC students in the 2022-23 school year.
- **Cal Grant B Access Award Increase.** Provides \$125 million ongoing to increase the Cal Grant Access Award from \$1,600 to \$2,000. The Access Award is a modest grant to help cover non tuition expenses. This will start with \$44 million in the budget year to serve 240,000 Community College students, and expand to \$125 million in 2022-23 to serve 170,000 CSU and UC students.

- **Middle Class Scholarship Reboot.** Provides \$542 million beginning in 2022-23 to reboot the Middle Class Scholarship to expand to supplement non-tuition costs for Cal Grant students and to ultimately become Debt Free grant to eliminate the de facto requirement for lower and middle income students to rely on student loans to attend the CSU and UC.

The MCS 2.0 will close the gap between the full cost of attendance – including non-tuition costs – and resources provided by other financial aid, earnings from a part-time job and of the full cost of attendance and traditional between traditional financial and modest family contribution from families with over \$100,000 annual income.

The \$542 million is estimated to close the gap by 33 percent, with the intent to expand in future years to ultimately fill the gap by 100%, and finally provide debt free college.

The Legislature's Version also provides \$180 million to increase resident enrollment at UC and CSU by more than 15,000 students, and launches a new program to replace nonresident students at UC Berkeley, UCLA and UC San Diego with California students.

### **Major Investments in Youth Behavioral Health, Public Health, and Health Equity**

- **Youth Behavioral Health.** Invests \$4 billion dollars to create a new, modern, and innovative behavioral health system for youth, including \$250 million for the Mental Health Student Services Act to fund school and county mental health partnerships to support the mental health and emotional needs of children and youth as they return to schools and everyday life.
- **Public Health Infrastructure.** Builds a 21<sup>st</sup> century public health system with \$200 million annually for Local Health Jurisdictions, \$40 million annually for state public health functions, \$35 million annually for public health workforce development, and \$13 million ongoing for the prevention of HIV/AIDS, hepatitis and sexually transmitted infections.
- **Health Equity.** Invests \$115 million annually in community-based health equity and racial justice efforts, and \$63.1 million one-time for the California Reducing Disparities Project.

### **Aging and Disability**

The Legislature's Version takes major action to improve services for the aged and those with disabilities. Legislative Democrats have long championed these efforts but with the strong fiscal condition of the state the Legislative Version makes progress far beyond any prior efforts. The improvements include:

- **Medi-Cal at 50+, Regardless of Immigration Status.** Provides ongoing funding growing to \$1.3 billion to expand Medi-Cal eligibility to all income eligible Californians 50-plus years of age, regardless of immigration status.
- **Medi-Cal Asset Test removal.** Eliminates the Medi-Cal asset test for seniors to remove the “senior savings” penalty, to expand access to more income eligible seniors.
- **SSI/SSP Legacy Cut Restoration.** Provides \$600 million ongoing to substantially restore the 2009 cut to low income Californians with disabilities and the elderly. This restoration (combined with Governor’s May Revision proposal) will increase the SSP grant by \$46 per month for individuals and \$118 per month for couples.
- **Developmental Services Provider Rate Study.** Phases in an ongoing \$857 million to fully phase in the rate study provider increases over a three-year period. This will help ensure providers receive fairer compensation and that families will continue to have access to the vital services provided.
- **Permanent Restoration of IHSS 7% Hours Cut.** Finally ends the legacy of 7% cut in in-home care services to elderly and disabled Californians. While the cut was restored in prior years, the threat of the cut remained by it being added to the list of program “suspensions” that would have automatically taken effect in future years. The Legislature’s Version of the budget approves the Governor’s proposal to end this (and all) program suspension.

### **Fighting Poverty and Hunger**

The Legislature’s version of the budget makes strides to ending poverty and fighting hunger across California by implementing sensible reforms to improve outcomes for participants in the CalWORKs program and making investments in our state’s food safety net. This includes:

- **Aligning CalWORKs Income Standards for Applicants and Recipients.** Provides \$179.2 million in ongoing support to raise the applicant earned income disregard from \$90 to \$600.
- **CalWORKs Pregnancy Aid.** Provides \$10 million ongoing to allow a pregnant person to receive aid to meet special needs resulting from pregnancy upon verification of pregnancy and increases the CalWORKs pregnancy supplement to \$100.
- **Food for All.** Provides \$550 million in ongoing support to provide state-funded nutrition benefits to those ineligible for CalFresh or the California Food Assistance Program solely due to immigration status.

- **Aid for Food Banks.** Provides close to \$300 million one-time to help food banks address the overwhelming need brought on by the COVID-19 pandemic and operate in the 2021-22 fiscal year.

### **Homelessness Package**

The homelessness crisis impacts nearly every community in California. The Legislature's Version builds on recent one-time spending efforts to make the largest ever commitment to address homelessness over a two year period, as well as on ongoing commitment to provide funding for local governments. This includes:

- **Record-level Investment to Address Homelessness.** Provides \$8.5 billion in new funding for homelessness programs over the next two years.
- **Local Ongoing Support for Local Governments.** Includes \$1 billion in ongoing support for local governments to address homelessness. This is the first ongoing commitment made by the state and will come with strong oversight and accountability to ensure the funds are put to work to successfully alleviate homelessness.
- **Sending More Resources to Front-Line Anti-Poverty Programs.** Includes over \$1 billion for various programs operated out of the Department of Social Services. These housing and homelessness programs touch the most vulnerable in our state – seniors in poverty at risk of abuse and neglect, families with children, and children and guardians in our child welfare system.

### **Criminal Justice Reform and Access to Justice**

- **Reduce debt on low-income Californians.** Reduces the debt of low-income Californians by eliminating various criminal administrative fees, including the elimination of the civil assessment. Includes \$151 million General Fund in 2021-22, \$151 million in 2022-23, \$130 million in 2023-24, and \$120 million in 2024-25 and ongoing to backfill the revenue associated with the eliminated fees.
- **Access to Justice.** Expands essential legal service resources through a \$200 million "Access to Justice" package in 2021-22 for legal aid, collaborative courts, county law libraries, dependency counsel, court interpreters, and court reporters. Invests \$120 million ARPA funds over three years to fund legal aid services for renters and homeowners to avoid evictions and foreclosures.
- **Support for Court Operations** Restores \$200 million ongoing General Fund to the Judicial Branch to re-open temporarily closed courtrooms and process case backlogs which have accumulated during the pandemic. Provides an addition \$72 million to ongoing General Fund to support trial court operations.

- **Investments in rehabilitation, re-entry, and recidivism reduction strategies.** Includes a “Rehabilitation, Re-entry and Recidivism Reduction” package of \$200+ million for career development, rehabilitative programming, family connection, local support for individuals to remain out of the criminal justice system, and removal of barriers to successful re-entry.
- **Gun Violence Reduction.** Provides \$211 million General Fund to reduce gun violence in the state.
- **Investments in survivors.** Includes \$175 million General Fund for various programs to support survivors of domestic violence, sexual violence, human trafficking and forced sterilization. Includes \$50 million for homeless youth emergency services and housing programs.

### **Historic Resources Investments**

California continues to be impacted by climate change, and the Legislature’s Version works to address this with historic investments to address the Wildfire and Drought crisis and with a major Climate Resiliency Package. This includes:

- **Wildfire Package:** Provides \$1 billion for various wildfire prevent and respond to wildfires, this is an increase of \$292 million above the Governor’s May Revision. Details of the package will continue to be worked out through the three-party negotiations.
- **Drought Package:** Provides approximately \$3.7 billion to address and get ahead of the emerging drought, this was the amount proposed by the Governor’s May Revision. Details of the package will continue to be worked out through the three-party negotiations.
- **Climate Resiliency Package:** Provides \$3.7 billion over three years to make needed climate resiliency investments, this is \$2.4 billion more than what was proposed in the Governor’s May Revision. Details of the package will continue to be worked out through the three-party negotiations.

### **Infrastructure**

The Legislature’s Version builds on the Governor’s efforts to invest in infrastructure throughout the state. Key highlights of infrastructure investments in the Legislature’s Version include:

- **Broadband.** Appropriates \$7 billion over a multi-year period for broadband infrastructure and improved access to broadband services throughout the state. Details will continue to be worked out through three party negotiations. Administrative flexibilities will enable the appropriated funds to be accelerated to ensure they are available as needed to fund the expansion and improvements.

- **Early Care and Education and K-12 Facilities.** Provides over \$1 billion for Early Care and Education and K-12 infrastructure, including: \$250 million for child care infrastructure, \$300 million for preschool/transitional kindergarten/kindergarten facilities, and \$500 million for school facilities.
- **Higher Ed Facilities, Acquisition and Student Housing.** Creates a new \$4 billion fund for CSU and UC facilities and for student housing at Community Colleges, CSU, and UC. Specific projects funded through the new fund, called the Capacity and Affordable Student Housing (CASH) fund, will be approved through Legislative action beginning later this year and through future budget action.
- **Transportation.** Provides billions of dollars in new spending for transportation infrastructure, including \$3 billion in funding for transportation infrastructure across the state, including for active transportation projects and projects identified for completion prior to 2028, \$2 billion for streets, roads, and highway projects, and \$400 million for a State and Local Transportation Adaptation program.
- **Affordable Housing.** Provides \$1.75 billion to alleviate the backlog in affordable housing construction, \$300 million for the preservation of existing affordable housing, \$130 million for the development, maintenance, and preservation of farmworker housing, and \$750 million for planning and implementation grants to help local governments plan for and meet their goals under their Sustainable Community Strategies.
- **Civic and Cultural Institutions.** Includes investments in civic institutions that support our communities and celebrate California's diversity and cultural heritage. This includes \$390 million for support for libraries and \$250 million for local park projects.

**HEALTH****California Health and Human Services Agency**

- Approves the Children and Youth Behavioral Health Initiative with modifications as follows:
  1. Approve state operations for the behavioral health service virtual platform, but reject \$73 million funding for the platform in 2021-22 until the project has met the appropriate milestones of the California Department of Technology's Project Approval Lifecycle.
  2. Approve \$400 million to support the Medi-Cal managed care plan incentive program, but adopt placeholder trailer bill language requiring plans to enter into a three-party partnership between the plan, the county mental health plan, and local school districts or county offices of education as a condition of receiving incentive funding.
  3. Modify the \$550 million incentive program as follows: a) \$300 million would support county behavioral health departments in partnership with local schools to provide behavioral health services for students; b) \$50 million would support behavioral health services at institutions of higher learning; c) \$200 million would support a competitive grant program for various local entities and community-based organizations to address mental health disparities and provide linguistically and culturally competent services for populations that lack access or are difficult to reach.
  4. Approve proposed \$429 million in 2022-23 for a grant program, but at MHSOAC rather than DHCS, to support early psychosis programs, programs for disproportionately impacted communities or communities of color, youth drop-in wellness centers, intensive outpatient programs for youth, and prevention and early intervention services for youth.
  5. Approve \$800 million to support addition of dyadic services as a Medi-Cal benefit.
  6. Approve \$245 million for children and youth focused behavioral health infrastructure, consistent with the proposed allocation of funding for immediate mobile crisis support teams identified in the committee's proposed action on the \$2.5 billion Behavioral Health Continuum Infrastructure investments.
  7. Approve \$426.8 million for behavioral health workforce initiatives at OSHPD.
  8. Reduce allocation to support behavioral health counselors and coaches by \$200 million to a total of \$228.3 million over five years.
  9. Approve \$100 million over five years for the DPH public education and change campaign.
  10. Approve and Augment the investment in the Mental Health Student Services Act by \$200 million for a total of \$250 million for grants for school mental health partnerships, and \$5 million for administration of the program.
  11. Approve all state operations and other components of the Children and Youth Behavioral Health Initiative.
  12. Adopt Modified Placeholder Trailer Bill Language to reflect these actions, as well as the proposed language regarding commercial health plan coverage of behavioral health services on a school campus.

- Approves \$10 million General Fund one-time and \$750,000 annually thereafter, and adopt placeholder trailer bill, to establish a statewide electronic registry for Physician Orders for Life Sustaining Treatment (POLST).
- Approves administrative resources for implementation of SB 852 (the California Affordable Drug Manufacturing Act of 2020) including a one-time appropriation of \$2 million General Fund in Fiscal Year 2021-22 for consulting services, with expenditure authority until Fiscal Year 2022-23, and position authority for one FTE position (\$197,000 General Fund in 2021-22 and \$184,000 General Fund ongoing) to support implementation of SB 852 (Pan, Chapter 207, Statutes of 2020), the California Affordable Drug Manufacturing Act of 2020.

### **Emergency Medical Services Authority**

- Approves \$2.3 million General Fund over three years beginning in 2021-22 to implement AB 1544 (Gipson, Gloria, Chapter 138, Statutes of 2020), the Community Paramedicine or Triage to Alternate Destination Act of 2020, which would authorize a local emergency medical services agency to develop and seek approval for a program that provides the various community paramedic or triage paramedic services.
- Approves \$286,000 General Fund ongoing and two permanent positions, to meet the increased workload within the Office of Legislative, Regulatory and External Affairs (LEA) to coordinate external affairs; public engagement related to emergency preparedness and disaster response and mitigation; and intergovernmental communications in support of EMSA's lead role under California's Emergency Support Function 8 (ESF-8) – Public Health and Medical. The requested resources will also address increased workload within the Legal Office associated with mandated reporting tasks, AB 434 (Baker, Chapter 780, Statutes of 2017) compliance, and creation of content and ongoing workload associated with implementation of EMSA's intranet.
- Approves \$365,000 General Fund ongoing, to improve regional disaster medical and health mitigation, preparedness, response and recovery by permanently funding an additional three (3) local Regional Disaster Medical Health Specialist in three California Governor's Office of Emergency Services Mutual Aid regions.
- Increases item 4120-001-0001 by \$8,495,000 and 14 positions to maintain and store critical equipment and medical supplies acquired during the COVID-19 Pandemic, and provide resources for the Operations Center and for exercises and training.
- Increases item 4120-001-0001 by \$1,414,000 and 6 positions for recruitment, on-boarding, and program management of the California Health Corps Program California Medical Assistance Teams program, and the Disaster Healthcare Volunteers/Medical Reserve Corps Program.

- Increases item 4120-001-0001 by \$851,000 and 5 positions for administrative services support for the Human Resources Unit to address workload associated with routine and emergency response personnel services functions.
- Increases item 4120-001-0001 by \$10 million and 2 positions one-time for planning and readiness activities to establish a statewide emergency services data infrastructure that strengthens real-time information sharing and data analytics for the state and locals, emergency medical services providers, and health care providers.

### **Office of Statewide Health Planning and Development**

- Approves \$16 million General Fund ongoing to provide grants to universities and colleges to operate Health Professions Career Opportunity Programs.
- Approves \$55.5 million General Fund one-time to support training efforts for certified nursing assistants (CNAs), including the following:
  1. \$40 million for CNA startup programs, scholarships and stipends
  2. \$10 million for the CA Workforce Development Board to provide grants for local CNA training programs
  3. \$5 million for CNA certification training pilot program based on the Healthcare Career Pathway program
  4. \$500,000 for online CNA training and collaboration to be developed through community colleges
- Approves \$10.5 million General Fund one-time to pilot the California Medicine Scholars Program, which would enable a statewide pathway to medicine to prepare California community college students for careers as primary care physicians in underserved communities.
- Adopts modified placeholder trailer bill and approves 58 positions and \$11.2 million in 2021-22, 106 positions and \$24.5 million in 2022-23, 123 positions and \$27.3 million in 2023-24, and annually thereafter from the California Health Data and Planning Fund to establish the Office of Health Care Affordability.
- Approves placeholder trailer bill, nine positions and total expenditure authority from various fund sources of \$6.3 million in 2021-22 and 13 positions and \$3.9 million annually thereafter to recast and reorganize the Office into the Department of Health Care Access and Information (HCAI). The reorganization includes transferring the Office of Rural Health and the J-1 Visa Waiver Program from DHCS to the new department.

- Approves of \$50 million General Fund one-time, available over six years, for additional awards to support and sustain new primary care residency programs through the Song-Brown Health Care Workforce Training Program.
- Approves of \$8 million one-time, available over six years, for geriatric workforce programs, including provisional language.
- Approves a net-zero adjustment to the OSHPD's total special funds (increase of \$6,000 Hospital Building Fund, \$31,000 Health Data and Planning Fund, \$4,000 Mental Health Services Fund, and decrease of \$41,000 Health Facility Construction Loan Insurance Fund) to support administrative services related to accounting and human resources. The implementation of the Fi\$Cal system has resulted in increased time needed for various processes.
- \$5,009,000 in reimbursement authority to the General Fund for Fiscal Year 2021-22, \$5,316,000 in 2022-23, \$4,736,000 in 2023-24, and \$4,743,000 in 2024-25. Reimbursement authority will enable OSHPD to use federal funds to support the Health Care Payments Data (HPD) System through the end of the Project Approval Lifecycle process. HPD costs eligible for federal funds include state staff and services, operating expenses, and contracted services.
- Approves \$457,000 in 2021-22 and \$567,000 in 2022-23 from the California Health Data and Planning Fund to support State Office of the Attorney General (AG) fees for legal services provided to OSHPD associated with Chapter 603, Statutes of 2017 (SB 17). OSHPD also requests provisional language providing increased expenditure authority in the case that 2021-22 attorney fees exceed the amount in this request.
- Reappropriates up to \$31,000 in federal funds, to support the State Loan Repayment Program due to a grant contract breach. OSHPD has federal authority to encumber the funds in 2021-22.
- Extends the period to liquidate encumbrances for \$700,000 (Prop. 63 funds) for the Peer Personnel Program, for one grantee needing additional time to fulfill the service grant agreement as a result of COVID. OSHPD anticipates that more grantees also will need additional time.
- Amends item 4140-101-0143 by increasing reimbursements by \$400,000 to correctly reflect reimbursements due to a technical computing error.
- Withdraws a proposed \$40 million one-time loan from the Hospital Building Fund to the General Fund included in the Governor's Budget.

- Approves a one-time General Fund expenditure authority of \$450,000 in 2021-22, and encumbrance or expenditure authority until June 30, 2023, to support infectious disease modeling activities as a part of the urgent COVID-19 pandemic response by increasing internal capacity to conduct, oversee, and utilize high-quality data modeling to inform public health emergency decisions and to participate in the COVID-19 Modeling and Analytics Consortium.
- Includes three positions and \$677,225 General Fund appropriation in Fiscal Year 2021-22 and ongoing to create a new program to manage COVID-19 workplace outbreak reporting, as mandated by AB 685 (Reyes, Chapter 84, Statutes of 2020).
- Adds 17 positions and \$2.6 million from the Licensing and Certification Program Fund in 2021-22 and ongoing, to expand the Medical Breach Enforcement Section (MBES). By expanding MBES and centralizing the investigation workload, CHCQ will free up clinical staff in the field offices from investigating any privacy breach intakes, thus allowing them to redirect their time to workload of a more clinical nature.
- Includes six positions and \$939,000 from the Licensing and Certification Program Fund in 2021-22 and ongoing, to implement provisions of AB 81 (2020 budget trailer bill) affecting the Quality and Accountability Supplemental Payment Program. AB 81 increased the fines for SNFs that fail to meet staffing requirements and granted appeal rights to SNFs that are non-compliant with staffing requirements for one day.

- Approves \$17 million General Fund (\$10.2 million in Local Assistance and \$6.8 million in State Operations) in 2021-22, available to be spent over a three-year period, to support Alzheimer's Disease Program activities that include: Grants focused on disproportionately impacted populations; public awareness campaign; caregiver training programs; California Blue Zone challenge grants; and a statewide standard of dementia care. Item 4265-001-0001 be increased by \$5,375,000 one-time and Item 4265-111-0001 be increased by \$2,125,000 to supplement the Governor's Budget proposal activities in public awareness and promulgating standards of care.
- Adds seven positions and \$1 million from the Licensing and Certification Program Fund in 2021-22 and ongoing, to improve the timeliness of investigations of complaints against caregivers.
- Approves one-time General Fund expenditure authority of \$5 million in Local Assistance in 2021-22 for an early childhood literacy program for Women, Infants and Children (WIC) participants.
- Adds 0.5 Research Scientist Supervisor I and 0.5 Associate Governmental Program Analyst and \$164,000 in 2021-22 and ongoing from the Licensing and Certification Fund (Fund 3098) for establishing regulations for a personal protective equipment (PPE) stockpile to build an adequate future supply of PPE, as specified in the language of the bill, for all health care and essential workers in the state as mandated by SB 275 (Pan, Leyva, Chapter 301, Statutes of 2020).
- Approves 3 positions and \$449,000 in State Operations expenditure authority in 2021-22 and ongoing and Local Assistance expenditure authority of \$3.9 million in 2021-22 and \$20.2 million in 2022-23 and ongoing from the Genetic Disease Testing Fund (Fund 0203) in order to meet current standards of care and improve the screening process for the California Prenatal Screening Program.
- Approves a decrease of 119.0 positions and \$29.0 million expenditure authority in CDPH State Operations, including \$28.4 million in Cannabis Control Fund (Fund 3288) and \$527,000 in Reimbursement Fund (Fund 0995), to support the consolidation of resources within the proposed new Department of Cannabis Control.
- Approves \$26,000 General Fund in 2021-22 and \$52,000 ongoing General Fund to pay for costs associated with changes, maintenance, and operation of an existing database needed to accommodate the mandates of SB 312 (Leyva, Chapter 315, Statutes of 2020), the Cosmetic Fragrance and Flavor Ingredient Right to Know Act of 2020.
- Approves the AIDS Drug Assistance Program (ADAP) Estimate, which is decreased by \$13,927,000 ongoing to reflect a projected decrease in medication expenditures, insurance premium expenditures, and medical out-of-pocket costs.

- Approves the Women, Infants, and Children (WIC) Program Estimate, which increases item 4265-111-0890 by \$52,946,000 ongoing and increases item 4265-111-3023 by \$15,497,000 ongoing to reflect adjusted expenditure estimates. Also adopts placeholder trailer bill to exempt contracts administered by the WIC program from the public contract code to provide local WIC agencies more flexibility to utilize federal funding for administering the WIC benefit and avoid loss of federal funding.
- Approves the Genetic Disease Screening Program (GDSP) Estimate, which decreases item 4265-111-0203 by \$230,000 ongoing to reflect adjusted expenditure estimates.
- Approves the Center for Health Care Quality (CHCQ) Estimate, including: revised 2020-21 expenditure authority of \$344.9 million, which is a \$3.8 million increase from the 2021-22 Governor's Budget. This increase is due to \$3.8 million in supplemental awards related to the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). For 2021-22, CDPH estimates expenditures will total \$394.0 million, which is an increase of \$2.5 million from the 2021-22 Governor's Budget. This increase includes \$2.5 million in supplemental awards related to the CARES Act.
- Adopts placeholder trailer bill to allow PrEP-AP to pay for specified ancillary services for a person dispensed or furnished PrEP and post-exposure prophylaxis medication pursuant to Business and Professions Code sections 4052-4052.03.
- Approves \$6 million General Fund one-time to support costs incurred from legal challenges to the state's COVID-19 pandemic response. It is also requested that provisional language be added to allow CDPH to use this appropriation for this specific purpose.
- Adopts placeholder trailer bill to repeal Health and Safety Code section 125075, which requires hospitals and physicians attending newborn infants to report each occurrence of Rhesus Isoimmunization Hemolytic Disease (Rh-HDN), due to its extremely low morbidity and mortality rate.
- Adopts placeholder trailer bill to provide a Public Contracts Code exemption for the Lesbian, Bisexual, Transgender and Queer (LBTQ) Women's Health Equity Initiative, which was included in the 2019 Budget Act, to allow smaller community-based organizations to successfully compete for grants and contracts.

### **Department of State Hospitals**

- Rejects the proposal to increase item 4440-011-0001 by \$16,602,000, decrease reimbursements by \$24,704,000, and increase item 4440-017-0001 by \$480,000 to discontinue the state hospitals as a treatment option for Lanterman-Petris-Short (LPS) patients over three years, provide treatment for these patients at the county level only, and utilize the state hospital beds for Incompetent to Stand Trial (IST) treatment.

- Approves of the withdrawal of the January proposal to establish the Community Care Demonstration Project for Felony Incompetent to Stand Trial (IST) (CCPD-IST), for the department to contract with counties to provide a continuum of services to felony ISTs in the county as opposed to state hospitals.
- Increases item 4440-011-0001 by \$13,293,000 and 7 positions to reflect updated assumptions regarding the timing of contract execution and program activation for existing counties, and reflect the expansion of Jail Based Competency Treatment Programs into 11 new counties. Funding increases to \$22,477,000 in 2022-23 and annually thereafter.
- Increases item 4440-011-0001 by \$28,330,000 and 4.5 positions to expand the current Los Angeles County Community-Based Restoration program and establish new programs in 17 additional counties. Funding increases to \$49,755,000 in 2024-25 and annually thereafter. It is also requested that provisional language be added to expedite any contracts necessary to establish the new programs.
- Increases item 4440-011-0001 by \$12,729,000 and 15.5 positions to partner with local county jails to re-evaluate individuals deemed Incompetent to Stand Trial on a felony charge who have waited in jail 60 days or more pending placement to a state hospital treatment program. Funding decreases to \$9,176,000 in 2023-24 and annually thereafter.
- Adopts placeholder trailer bill to require felony Incompetent to Stand Trial patients deemed not restorable to mental competency to be returned to the county within 10 days and remain in the county, otherwise DSH will charge the county a daily bed rate, and corresponding statutory changes to allow DSH to collect a daily bed rate.
- Approves \$47,584,000 one-time General Fund to expand the Mental Health Diversion Program to 33 additional counties, and adopts placeholder trailer bill to require counties expanding a current state-funded Diversion program to exclusively divert IST patient defendants. The trailer bill also will eliminate the county match requirement for expanding programs if a county has already met its maximum match requirement under the original program contract. Item 4440-011-0001 be increased by \$6.6 million to reflect the carryover and reappropriation of the unencumbered balance of the Diversion Program funding until June 30, 2022. It is also requested that Item 4440-490 be amended to reflect the reappropriation.
- Increases item 4440-011-0001 be increased by \$16,489,000 with resources equivalent to 7 limited-term positions for payment and processing of worker's compensation claims resulting from illness or injury sustained by state hospitals' employees who contract COVID-19 while performing essential work duties at a state hospital facility.

- Increases item 4440-011-0001 be increased by \$6,346,000 with resources equivalent to 6 limited-term positions to contract for a healthcare provider network, including prior authorization and third-party administration services. Funding decreases to \$2,246,000 in 2022-23 and 2023-24.
- Approves \$337,000 General Fund in fiscal year (FY) 2021-22 and \$266,000 annually thereafter to support the reclassification of 20.0 Hospital Police Officer (HPO) positions to Investigators.
- Grants authority, through provisional language, in fiscal year (FY) 2021-22 and annually thereafter until 2026-27, to extend the encumbrance and expenditure authority for ligature risk special repair funding authorized in the 2020 Budget Act.
- Increases item 4440-011-0001 by \$6,534,000 and 35.8 positions to restore resources to implement a standardized staffing model for Protective Services at Napa State Hospital and Outside Custody functions at all five hospitals. Funding increases to \$11,846,000 and 82.1 positions in 2024-25 and annually thereafter.
- Increases item 4440-011-0001 by \$434,000 in 2021-22 and annually thereafter to address updated bargaining unit contract negotiations and pay differentials for previously approved, unestablished positions phased-in over several years.
- Increases item 4440-011-0001 by \$22,778,000 and 44.3 positions to align resources with the staffing study methodology for standardize clinician-to-patient ratios. Funding increases to \$54,091,000 and 213.3 positions in 2025-26 and annually thereafter.
- Decreases item 4440-011-0001 by \$40,000 in 2021-22 and annually thereafter to reclassify 1 position to perform enhanced recruitment and outreach efforts.
- Increases item 4440-011-0001 by \$222,000 in 2021-22 and annually thereafter to address updated bargaining unit contract negotiations and pay differentials for previously approved, unestablished positions phased-in over several years.
- Increases item 4440-011-0001 by \$329,000 and decreases 8.2 positions in 2021-22 to address updated bargaining unit contract negotiations and pay differentials for previously unestablished positions phased-in over several years for the Enhanced Treatment Program. Approves unestablished positions phased-in over several years for the Enhanced Treatment Program. Funding increases to \$1,015,000 in 2022-23 and annually thereafter.
- Approves the Conditional Release Program (CONREP) -- Sexually Violent Predator Caseload Updates – Increases item 4440-011-0001 by \$1,845,000 in 2021-22 and annually thereafter to reflect the Department of State Hospital's updated caseload for the Sexually Violent Predator Conditional Release Program.

- Approves the CONREP -- Continuum of Care Updates -- Decreases item 4440-011-0001 by \$2,738,000 in 2021-22 and annually thereafter due to delays in construction and contract negotiations.
- Approves the CONREP -- Mobile Forensic Assertive Community Treatment Team Updates -- Increases item 4440-011-0001 by \$4,090,000 to contract for an additional 80 Conditional Release Program beds with the Mobile Forensic Assertive Community Treatment Team model. Funding increases to \$6,465,000 in 2024-25 and annually thereafter.
- Approves \$777,000 General Fund in Fiscal Year (FY) 2021-22 and in FY 2022-23 to support 5.5 two-year limited term (LT) positions for the Legal Division (LD) to address the sustained increase in workload of court hearings at which DSH attorneys are required to appear throughout the state and the sustained increase in workload of Public Records Act (PRA) requests to which DSH must respond.
- Includes \$794,000 General Fund in Fiscal Year (FY) 2021-22 and \$774,000 annually in FYs 2022-23, 2023-24 and 2024-25 to support 1.0 permanent position and contract resources equivalent to 2.0 consultants. The resources will be used to enhance system functionality for the Cost Recovery System (CRS) to capture, bill and recover eligible patient cost-of-care reimbursements until DSH has successfully implemented an Electronic Health Record.
- Approves \$22,024,000 Public Buildings Construction Fund for the construction phase of the Metropolitan: Consolidation of Police Operations project. The request will allow for the consolidation of hospital police services into a single location and include the demolition of seismically deficient buildings.
- Approves one-time \$15 million General Fund, available over three years, to address critical deferred maintenance, special repairs/replacement, and regulatory compliance projects at DSH's five hospitals. The planned projects include those related to fire and life safety, critical infrastructure, and any facilities modernization required to complete major repairs and systems replacements. Item 4440-011-0001 be increased by \$85 million one-time to fund 8 critical deferred maintenance projects across the five state hospital facilities. It is also requested that provisional language be added to extend the encumbrance and expenditure period to June 30, 2025.
- Approves 3.0 permanent positions and \$352,000 General Fund in Fiscal Year (FY) 2021-22 and ongoing to expand patient education services at DSH-Coalinga. DSH's goal is to offer comparable education services for DSH-Coalinga patients as it does at its other hospitals and improve patient outcomes.
- Includes \$986,000 General Fund in Fiscal Year (FY) 2021-22 and FY 2022-23 to extend 8.0 limited-term positions for an additional two years to continue processing of invoices and payments from external medical providers containing Protected Health Information (PHI) in

compliance with the Health Insurance Portability and Accountability Act (HIPAA) and consolidating DSH's financial operations into a single budget unit.

- Approves \$350,000 General Fund in Fiscal Year (FY) 2021-22 and ongoing for 2.0 permanent positions to establish Infection Preventionists at DSH-Metropolitan and DSH-Napa in accordance with requirements set forth in AB 2644 (Wood, Chapter 287, Statutes of 2020).
- Adopts a supplemental appropriation of \$3,792,000 General Fund to fund increased construction costs for the Statewide Enhanced Treatment Unit (ETU) at DSH-Atascadero and DSH-Patton. The additional funds are necessary to complete construction of the project.
- Approves \$50,528,000 General Fund for the construction phase of the DSH-Coalinga Hydronic Loop Replacement project, and a decrease of \$23,069,000 General Fund for the construction phase, based on the Department of General Services (DGS) updated cost estimate.
- Authorizes a reappropriation of \$229,000 General Fund for the working drawings of the Atascadero: Potable Water Booster Pump System.
- Authorizes General Fund authority of \$9.2 million in FY 2021-22 and \$8.9 million ongoing to offset the increased rental costs of \$7.7 million for CHHS, DDS, and DSH in the new Clifford L. Allenby State Building. In addition, DSH requests 2.0 permanent position authority to provide technology support to CHHS.

### **Mental Health Services Oversight and Accountability Commission**

- Approves proposed funding of \$55 million (Mental Health Services Fund) and augments the investment in the Mental Health Student Services Act by \$200 million federal funds for a total of \$250 million for grants for school mental health partnerships, and \$5 million for administration of the program.
- Approve proposed \$429 million in 2022-23 for a grant program, but at MHSOAC rather than DHCS, to support early psychosis programs, programs for disproportionately impacted communities or communities of color, youth drop-in wellness centers, intensive outpatient programs for youth, and prevention and early intervention services for youth.
- Approves \$5 million (Mental Health Services Fund) for the OAC to establish an advisory group, including representatives of youth and other specified populations, to develop a social media program to support youth experiencing ethnic-based bullying.
- Approves an extension to the time period to liquidate \$400,000 in encumbrances from Item 4560-001-3085, Budget Act of 2018, to support County Mental Health Innovation Planning.

- Approves a request that Item 4560-494 be added to extend the period to liquidate \$5.9 million in encumbrances from Item 4560-101-3085, Budget Act of 2018, to support the Triage Personnel Grant Program.

**Health Benefit Exchange**

- Decreases item 4800-101-0001 by \$405,647,000 one-time, and corresponding provisional language changes be made, to reflect savings resulting from new federal subsidy levels pursuant to the American Rescue Plan Act of 2021 subsuming the state subsidy program.
- Adopts placeholder trailer bill to establish the Health Care Affordability Reserve Fund and to provide a one-time General Fund transfer of \$333,439,000 for the purpose of future health care affordability measures. The total equals the projected individual mandate penalty revenue in fiscal year 2020-21 and 2021-22, less the 2021-22 cost of the proposed One-Dollar Premium Subsidy Program. Also adopts placeholder trailer bill requiring Covered California to prepare a report by January 1, 2022, with options for utilizing the Health Care Affordability Reserve Fund to further improve affordability or cost-sharing requirements, including timelines and system requirements for implementation.
- Increases item 4800-101-0001 by \$20 million ongoing, and corresponding statutory changes made, to provide payments, on or after January 1, 2022, of no less than one dollar to qualified health plan issuers on behalf of qualified individuals enrolled in a qualified health plan through the exchange in the individual market that equal the cost of providing abortion services for which federal funding is prohibited.
- Adopts placeholder trailer bill to require OSHPD to make hospital discharge data available to Covered California to improve accuracy of annual premium rate setting.

**Rebuilding an Equitable Public Health System**

Invest \$403 million GF annually to correct the decades-long underinvestment in our public health system that left us less prepared to address the pandemic, and contributed to the pre-existing health disparities that led to disproportionate negative impacts from COVID-19 on socially vulnerable communities. Invest an additional \$72.1 million one-time to support a public health infrastructure study, support Phase II of the California Reducing Disparities Project and support investments to End the Epidemics of HIV, Hepatitis C, and STDs.

<b>Ongoing Investments</b>	<b>Annual General Fund</b>
Local Public Health Investments	\$200 million
Health Equity and Racial Justice, including:	\$115 million
- Grants for Clinics, CBOs, Tribal orgs.	(\$100 million)

- Transgender Wellness and Equity Fund	(\$15 million)
Public Health Workforce Development	\$35 million
End the Epidemics Investments	\$13 million
DPH Statewide Coordination and Planning	\$40 million
<b>Total Ongoing Investments</b>	<b>\$403 million</b>
<b>One-Time Investments</b>	<b>One-Time General Fund</b>
California Reducing Disparities Project (one-time)	\$63.1 million
End the Epidemics (one-time)	\$6 million
Public Health Infrastructure Study (one-time)	\$3 million
<b>Total One-Time Investments</b>	<b>\$72.1 million</b>

- **Local Public Health Investments - \$200 million General Fund annually**
  - Local health jurisdictions would receive an annual investment of \$200 million General Fund, subject to certain planning, transparency, and accountability requirements.
  - These funds would be provided through a formula that takes into account:
    - Base allocation for each of the 61 local health jurisdictions
    - Population
    - Number of ZIP codes in the lowest quartile of the Healthy Places Index (or some other proxy for social vulnerability/health disparities)
    - Overall burden of preventable mortality and morbidity
  - The first year of funding would be provided immediately to sustain local health jurisdictions as they recover from the pandemic, as well as to participate in the public health infrastructure study coordinated by DPH.
  - Beginning July 1, 2022, local health jurisdictions would be required, as a condition of receiving state public health investment dollars, to submit a triennial plan to DPH that outlines the following:
    - Specific strategies and programs to address the most prevalent existing causes of preventable mortality and morbidity, as identified by DPH’s County Health Status Profiles, or other public health data.
    - Specific strategies and programs to address the fastest growing causes of preventable mortality and morbidity, as identified by DPH’s County Health Status Profiles, or other public health data.
    - Specific strategies and programs to address disparities in the prevalence of causes of preventable mortality and morbidity between demographic groups residing in the local health jurisdiction.

- Local health jurisdictions would also be required to conduct a workforce analysis and submit a plan that demonstrates the following:
  - The workforce necessary to support the strategies and programs identified in the triennial public health plan.
  - A workforce development strategy to recruit and train the necessary staff to support the strategies and programs identified in the triennial public health plan.
  - A strategy to cross-train a sufficient number of local health jurisdiction employees with skills that could support infectious disease prevention and mitigation activities in the event of an infectious disease outbreak.
- These planning requirements would be informed by the findings of the public health infrastructure study coordinated by DPH (see “Public Health Infrastructure Study” below)
- **Health Equity and Racial Justice Innovation - \$115 million General Fund annually**
  - The Office of Health Equity would administer an annual \$115 million grant program to address health disparities.
    - Clinics, community-based organizations, and tribes could apply for grants, either separately, or in collaboration.
    - Applicants would be required to demonstrate how funding would be used to ameliorate existing or emerging health disparities, including metrics for success.
    - Local health jurisdictions would be encouraged to work with grant recipients to serve as trusted community partners to extend public health messages and interventions into underserved and difficult to reach communities.
    - \$15 million would be allocated annually to the Transgender Wellness and Equity Fund, for distribution by the Office of Health Equity to support programs focused on coordinating trans-inclusive health care for individuals who identify as transgender, gender nonconforming, or intersex.
  - DPH would also conduct an annual report on health disparities (see “DPH – Statewide Coordination and Planning” below)
- **Public Health Workforce Development - \$35 million General Fund annually**
  - DPH, in collaboration with OSHPD and local health jurisdictions, would administer an annual \$35 million workforce development program to recruit, expand, and retain a modern public health workforce, including:
    - Epidemiologists
    - Disease investigators
    - Information and data analytics specialists
    - Public health nurses
    - Community health workers
    - Medical social workers
    - Outreach specialists
    - Multilingual health educators
    - Health equity leaders
    - Environmental health specialists
    - Laboratorians

- Food safety professionals
- Dietitians
- Quality improvement coordinators
- Physical and occupational therapists
- The workforce development program could include training, scholarships, apprenticeships, or other programs.
- The programs would be targeted to local health jurisdictions and communities with significant health disparities, as identified by DPH in its annual disparities analysis. (see “DPH – Statewide Coordination and Planning” below)
- DPH would also perform a triennial gap analysis of public health workforce needs in the state, to align with and inform the preparation of local health jurisdictions’ triennial public health plans. (see “DPH – Statewide Coordination and Planning” below)
- **DPH – Statewide Coordination and Planning - \$40 million General Fund annually**
  - DPH would receive an appropriation of \$40 million annually to support statewide coordination and planning of the activities funded by the components of this proposal, including:
    - *Technical Assistance* - Technical assistance to local health jurisdictions, particularly in small counties or cities, for preparation of the triennial public health plan.
    - *Learning Collaboratives* - Facilitate learning collaboratives to share best practices regarding specific interventions to address causes of preventable morbidity and mortality, or health disparities.
    - *Effective Public Health Communications* - Communication support for public information officers in local health jurisdictions to ensure effective delivery of public health messages, particularly in smaller counties or cities, as well as access to media and other messaging resources.
    - *Effective IT Systems to Support Public Health* - Ongoing information technology upgrades and improvements to support communicable and chronic disease surveillance, testing, case investigation, contact tracing, identification and monitoring of health disparities, and other public health priorities.
    - *Public Health Workforce Gap Analysis* - DPH would also perform a triennial gap analysis of public health workforce needs in the state, to align with and inform the preparation of local health jurisdictions’ triennial public health plans. This gap analysis would also inform the development and implementation of the \$35 million public health workforce development program. The analysis would identify gaps based on the eight domains of core competencies for public health professionals:
      - Analytical/Assessment Skills
      - Policy Development/Program Planning Skills
      - Communication Skills
      - Cultural Competency Skills
      - Community Dimensions of Practice Skills
      - Public Health Science Skills
      - Financial Planning and Management Skills

- Leadership and Systems Thinking Skills
- *Annual Health Disparities Reporting* – DPH would, beginning January 1, 2023, and annually thereafter, prepare and publicly release a population-based health status report. In preparing the report, the department shall collect and analyze available health and health-related data by county and geographic sub-division, such as by ZIP code or census tract, for the purpose of analyzing and reporting health disparities and recommendations for reducing identified disparities. The report shall comply with applicable state and federal health information privacy requirements. Health and health-related data shall include:
  - Indicators of chronic disease prevalence and management, including, but not limited to, statistics on asthma and asthma management, obesity, diabetes, and cardiovascular disease;
  - Maternal and infant mortality;
  - Social determinants of health, including, but not limited to, access to nutritious foods, safe and affordable housing and neighborhoods, income and poverty rates; educational opportunities, evidence of racism and discrimination.
  - Environmental factors, such as exposure to polluted air and water, exposure to lead and gun violence;
  - Prevalence of infectious diseases, including respiratory and sexually transmitted diseases;
  - Access and proximity to health care, including rates of uninsured and timely access to health, dental, vision and behavioral health services;
  - Tobacco product use and availability;
  - Substance use disorders and drug overdose prevalence.
- *Health Disparities Reduction - Statewide Coordination and 2030 Goal* – Through its oversight of triennial public health plans, DPH would establish a goal of reducing health disparities among children by 50 percent statewide by December 31, 2030.
- *Annual State of the State's Public Health* – The State Public Health Officer would annually prepare a report on the State of the State's Public Health, that would identify the most prevalent existing causes of morbidity and mortality in California, emerging causes of morbidity and mortality in California, statewide or regional health disparities based on its annual reporting, as well as policy recommendations and fiscal estimates for addressing these issues. The State Public Health Officer would present the report annually to the Assembly and Senate Budget Committees, or relevant subcommittees, during hearings covering the DPH budget.
- *Annual State of the County's Public Health* – As a condition of receipt of state funding, county public health officers would also be required to annually prepare a report on the State of the County's Public Health. The county public health officer would present this report annually to the county's Board of Supervisors.

- **Public Health Infrastructure Study - \$3 million General Fund one-time**
  - DPH would coordinate with local health jurisdictions, community-based organizations, healthcare providers, and other public health stakeholders to conduct a study to identify specific needs to develop an agile and flexible public health infrastructure at the local and statewide level. The study would be informed by two or more public stakeholder meetings and would be used by local health jurisdictions, in collaboration with DPH and local stakeholders, to develop and implement the triennial public health plan beginning July 1, 2022.
  
- **Other Public Health Investments - \$79.1 million General Fund one-time**
  - *California Reducing Disparities Project* - \$63.1 million one-time
    - Fund Phase II of the California Reducing Disparities Project
  - *End the Epidemics Investments* - \$19 million General Fund (\$13 million ongoing, \$6 million one-time)
    - PrEP Navigation and Retention Services (ADAP rebate fund)
    - Hep C Test Kits - \$1 million General Fund one-time
    - STI Prevention - \$3 million General Fund ongoing
    - STI Services through FPACT - \$7 million General Fund ongoing
    - Syringe Exchange Supply Clearinghouse - \$3 million General Fund ongoing
    - HIV Aging Demonstration Projects - \$5 million General Fund one-time

**2021-22 Children and Youth Behavioral Health Initiative – Legislative Adjustments**

In the May Revision, the Administration proposed \$4.4 billion of expenditures over a five year period to transform California’s behavioral health system so that all children and youth age 25 and younger, regardless of payer, are screened, supported, and served for emerging and existing behavioral health needs. These investments build on legislative augmentations and other proposals adopted in the past few years, such as the Mental Health Student Services Act, the Early Psychosis Intervention (EPI) Plus Program, and investments in youth drop-in centers. While the Administration’s proposal provides a welcome allocation of resources for the enormous task of ensuring a full continuum of behavioral health services is available to all children and youth, many of these proposals lack specific detail or require more analysis and consideration. The Legislature would propose the following changes to the Administration’s proposed Children and Youth Behavioral Health Initiative.

<b>Children and Youth Behavioral Health Investments – Legislative Adjustments</b>			
<i>(total funds over five years, dollars in millions)</i>			
<b>Investment</b>	<b>Governor</b>	<b>Legislature</b>	<b>Difference</b>

<sup>1</sup> Allocates \$300 million for counties, \$50 million for higher education, and \$200 million to address disparities.

<sup>2</sup> Requires three-party partnerships between the plan, county, and schools as a condition of participation.

<sup>3</sup> Rejects first year funding until certain project milestones are achieved.

<sup>4</sup> From Governor’s proposed \$2.5 billion for infrastructure, the Legislature allocates \$150 million for mobile crisis, (\$100 million for youth and \$50 million for adults).

**Detailed Adjustments to Administration’s Proposal**

- **Mental Health Student Services Act Partnerships Expansion - \$200 million Coronavirus Fiscal Recovery Fund (CFRF) one-time (in addition to Administration’s proposed \$50 million from Mental Health Services Fund)**
  - The \$200 million augmentation to the Mental Health Student Services Act (MHSSA) would allow the Mental Health Services Oversight and Accountability Commission (MHSOAC) to provide non-competitive grants to all counties that did not receive funds in the first round of funding of the program, as follows:
    - \$2.5 million, \$4 million, or \$6 million for counties based on size, with an additional amount for large counties (\$12 million per county) and \$20 million allocated for Los

Angeles. These additional resources would cover all unfunded applications and provide increased support for large counties already participating.

- Grants would be non-competitive as funds would be available for all counties. However, counties would still be required to submit an application that meets the MHSSA statutory requirements to the MHSOAC. Counties would be required to submit a letter of intent to apply and complete an application within a specified time frame or funds would be forfeited.
  - Forfeited funds could be reallocated to counties on a competitive basis to provide additional grants to participating counties.
  - According to MHSOAC and counties, many of the unsuccessful projects from the first round of MHSSA funding could be implemented in time to provide services for children returning to full-time instruction in the fall.
- **School-Linked Behavioral Health Partnerships and Capacity – Specify allocations for Administration’s proposed investment of \$550 million CFRF over two years (\$100 million in 2021-22 and \$450 million in 2022-23)**
    - The Administration proposes to invest \$550 million CFRF over two years for a competitive grant program to build partnerships, capacity, infrastructure, provider networks, and enhance coordination and partnerships for behavioral health prevention and treatment for children and youth. Eligible entities would be counties, tribal entities, local educational agencies, health care service plans, Medi-Cal managed care plans, community-based organizations, and behavioral health providers.
    - DHCS would be required to determine the eligibility criteria, grant process, and methodology for distribution.
    - The Legislature’s action is more specific about the allocations of these funds, including:
      - \$300 million provided exclusively to county behavioral health departments that enter into partnerships with school districts, or county offices of education, to provide behavioral health services for students. Each county would have a specific allocation of the \$300 million and would be able to claim its share after submitting an application to the department describing the services it would provide under its partnership agreement. Each county could only claim a proportion of its share equal to the proportion of all students in the county covered by the partnership or partnerships.
      - \$50 million would be allocated to institutions of higher education to support behavioral health services on campus.
      - \$200 million would support a competitive grant program for tribal entities, local educational agencies, community-based organizations, and behavioral health providers to address mental health disparities and provide linguistically and culturally competent services for children, youth, and young adults that lack access to adequate behavioral health care or are otherwise difficult to reach.
- **Student Behavioral Health Medi-Cal Managed Care Plan Incentives – Approve the Administration’s proposed investment of \$400 million (\$200 million General Fund and \$200 million federal funds) one-time, and modify the terms of participation by plans**

- The Administration's proposal to provide incentive payments to Medi-Cal managed care plans to provide behavioral health services to students is essential to ensuring access to the full continuum of behavioral health services. While county mental health plans provide specialty mental health services, Medi-Cal managed care plans provide services for mild to moderate mental health needs.
- However, it is essential that these plans are part of a partnership with county mental health plans and school districts or county offices of education, so care can be comprehensive and coordinated across delivery systems and students do not fall through the cracks.
- The Legislature's action requires Medi-Cal managed care plans, as a condition of participation in the incentive payment program, to enter into three-party partnerships to ensure delivery of the full continuum of behavioral health services to students.
- **Development and Enhancement of Evidence-Based Behavioral Health Programs – Transfer Administration's proposed one-time investment of \$429 million CFRF in 2022-23 to MHSOAC**
  - The Administration's proposal to develop and scale up age appropriate behavioral health evidence based programs is a worthwhile goal, but builds on programs the MHSOAC has been administering for several years. The Administration proposes to prioritize for funding the following:
    - First break or first episode psychosis programs
    - Efforts tailored and focused on disproportionately impacted communities and communities of color
    - Youth drop-in wellness centers
    - Intensive outpatient programs for youth
    - Prevention and early intervention services for youth
  - MHSOAC administers the Early Psychosis Intervention Plus program, the youth drop-in centers program, and administers local expenditures of Mental Health Services Act funding for prevention and early intervention. In addition, MHSOAC has attempted to address disproportionately impacted communities and communities of color through its stakeholder contracts. These programs are already in place and could be scaled up with this one-time investment of federal relief funds.
- **Behavioral Health Workforce Capacity – Approve Administration's proposed investments of \$426.8 million over five years in workforce capacity, including.**
  - Psychiatry and social workers
  - Substance use disorder services providers
  - Behavioral health workforce pipeline
  - "Earn to Learn" apprenticeship models
  - Training to serve justice- and system-involved youth
  - Train New Trainers Psychiatry Fellowship for Primary Care Providers
  - Peer Training and Placement Programs
  - Existing Loan Repayment, Scholarship, and Stipend Programs for Behavioral Health

- **Behavioral Counselors and Coaches** – Reduce Administration’s proposed investments of from \$428.3 million to \$228.3 million for developing behavioral health counselors and coaches.
  - Reduce allocation for behavioral health counselors and coaches by \$200 million.
  - Reallocate the remaining \$228.3 million to expand the resources for other workforce initiatives.
  
- **Behavioral Health Services and Supports Platform** – Approve positions and other state operations for the Administration’s proposed behavioral health services and supports platform, but reject first-year funding for the system until the project has fulfilled the appropriate requirements in the California Department of Technology’s Project Lifecycle Approval process.
  
- **Behavioral Health Continuum Infrastructure Program** – Allocate \$150 million of \$2.455 billion proposal for mobile crisis support teams for youth and adults.
  - As part of the Administration’s \$2.455 billion proposal to support behavioral health continuum infrastructure, the Legislature’s action specifically allocates \$150 million to support the development of mobile crisis support teams to address youth and adults in crisis.
  - \$100 million would be allocated for youth and could respond to schools or families with youth experiencing a behavioral health crisis. These funds would be prioritized to ensure availability of these services when children return to full-time instruction in the fall.
  - \$50 million would be allocated for adults and could respond to behavioral health crisis situations that would ordinarily result in an encounter with law enforcement.
  
- **Other Components of the Initiative** – Approve remaining components of the Administration’s proposal, including:
  - E-consult services and provider training – \$165 million
  - CalHOPE Student Support Program – \$45 million
  - New Medi-Cal Benefit – Dyadic Services – \$800 million
  - Public Education and Change Campaign – DPH – \$100 million
  - Public Education on ACEs and Trauma – OSG – \$25 million
  - Various State Operations and Other Adjustments – \$186.5 million

## HUMAN SERVICES

### CalWORKs

- As part of a larger initiative to institutionalize the CalWORKs 2.0 and the program approach of the CalWORKs Outcomes and Accountability Review (Cal-OAR), approves funding for CalWORKs intensive case management services, doubling the state-budgeted hours per case per month from five to ten hours. The cost for this is \$75 million in 2021-22, \$150 million in 2022-23, and \$257 million in 2023-24, and on-going, with placeholder trailer bill language to effectuate these changes. Other components of this initiative are detailed as follows. All funds are General Fund/TANF.
- Approves funding to align CalWORKs income standards for applicants and recipients. This would raise the applicant earned income disregard from \$90 to \$600. The cost for this is \$1 million in 2021-22 for a start date of June 1, 2022, covering grant and employment services costs, increasing to \$94.8 million in 2022-23, and \$179.2 million in 2023-24 and on-going, with placeholder trailer bill language to effectuate these changes. All funds are General Fund/TANF.
- Approves funding to restore a program cut, made in the Governor's May Revision, in order to maintain the CalWORKs eligibility funding in the Single Allocation at the 2020-21 level, preventing a large program reduction. The cost for this restoration is \$68.3 million in 2021-22 and \$40.8 million in 2022-23 and on-going. All funds are General Fund/TANF.
- Approves funding of \$30 million General Fund/TANF in 2022-23, so not for 2021-22, and on-going to restore a reduction made in the 2020 Budget for the CalWORKs Home Visiting Program.
- Approves funding of \$10 million General Fund/TANF in 2021-22 and on-going to allow a pregnant person to receive CalWORKs aid to meet special needs resulting from pregnancy upon verification of pregnancy and provide an increase in the CalWORKs pregnancy supplement from \$47 to \$100, with placeholder trailer bill language to effectuate these changes.
- Approves funding for a contract for development of trainings for all CalWORKs county staff focused on racial equity, implicit bias, and advancing and institutionalizing the CalWORKs 2.0 and CalOAR, for a cost of \$3 million General Fund/TANF in 2021-22 and \$10 million General Fund/TANF in 2022-23 and on-going, with placeholder trailer bill language to effectuate these changes.
- Approves funding to implement CalWORKs statewide promotional and media campaign, at a one-time cost of \$2 million General Fund/TANF.

- Approves no-cost placeholder trailer bill language to remove the county penalty associated with a possible federal Work Participation Rate (WPR) penalty.
- Approves no-cost placeholder trailer bill language to clarify the good cause provisions for CalWORKs, confirming that when a county provides good cause to a participant, this stops the time clock for that individual, as the county is unable in this situation to provide the services that are part of the “handshake” between services offered in the program and the time-limited nature of the program.
- Approves no-cost placeholder trailer bill language to make permanent electronic identity verification in CalWORKs. This practice was adopted in the COVID-19 pandemic and is considered a helpful and necessary feature to maintain program access.
- Approves the Governor’s May Revision funding of \$8.7 million General Fund in 2021-22 and ongoing for counties to continue providing CalWORKs services for no more than 180 days when a child has been removed from the home and is receiving out-of-home care, called the Family Reunification CalWORKs Assistance Payment. Approves associated trailer bill for this program change as placeholder.
- Approves the Governor’s May Revision proposal to provide a 5.3-percent increase to CalWORKs Maximum Aid Payment levels, which is estimated to cost \$142.9 million in 2021-22. These increased grant costs are funded entirely by the Child Poverty and Family Supplemental Support Subaccounts of the Local Revenue Fund and are planned for October 1, 2021.
- Approves the Governor’s May Revision proposal regarding changes to CalWORKs overpayment collections. First, beginning April 2020 through the end of the pandemic or June 30, 2022, whichever is sooner, authorizes a county to reduce the collection of all non-fraudulent related CalWORKs overpayments that are considered administrative errors from 10 percent to 5 percent of a family’s aid payments. Second, reduces the CalWORKs overpayment collection timeframe from five to two years.
- Approves the Governor’s May Revision proposal for \$1.9 million General Fund ongoing to restore CalWORKs Indian Health Clinic funding to pre-2009 funding levels.

### **Housing and Homelessness Programs**

- Modifies the May Revision proposal and instead approves funding to the CalWORKs Housing Support Program (HSP) with \$95 million General Fund in 2021-22 and \$285 million General Fund in 2022-23, allowing for use of both appropriations until June 30, 2025. Includes placeholder trailer bill language to facilitate local use of these funds to combat homelessness, including codifying definitional alignment on homelessness to meet as many needs “upstream” as possible, allowing participants to continue to be served up to one year after they are no longer a client of the program, and enabling the

ability to provide assistance to a family at risk of homelessness prior to the start of an eviction.

- Modifies the May Revision proposal and instead approves funding to the Bringing Families Home (BFH) program with \$50 million General Fund in 2021-22 and \$150 million General Fund in 2022-23, allowing for use of both appropriations until June 30, 2025. Includes placeholder trailer bill language to effectuate changes that includes a waiver of the county match requirement for the entire four-year period and funding flexibility as offered by the counties, including the ability to serve families at risk of homelessness.
- Modifies the May Revision proposal and instead approves funding to the Housing and Disability Advocacy Program (HDAP) with \$75 million General Fund in 2021-22 and \$225 million General Fund in 2022-23, allowing for use of both appropriations until June 30, 2025. Includes placeholder trailer bill language to effectuate changes that includes a waiver of the county match requirement for the entire four-year period, explicitly allowing for long-term subsidies and services, elimination of the interim assistance reimbursement agreement requirement, which has been a barrier to client participation, and other funding flexibility as recommended by the counties.
- Modifies the May Revision proposal and instead approves funding to the Adult Protective Services (APS) Home Safe Program with \$50 million General Fund in 2021-22 and \$150 million General Fund in 2022-23, allowing for use of both appropriations until June 30, 2025. Includes placeholder trailer bill language to effectuate changes that includes a waiver of the county match requirement for the entire four-year period and funding flexibility as offered by the counties, including the ability to serve APS clients at risk of homelessness.
- Approves the May Revision proposed funding of \$150 million General Fund one-time for Project Roomkey. Additionally, approves placeholder trailer bill language to cover the definitions, purposes, basic timelines for implementation, and outcomes to facilitate legislative oversight.
- Modifies the May Revision proposal for the Community Care Expansion (CCE) program, approving the Spring Finance Letter request for positions for program implementation and approve first year funding of \$497.5 million (\$47.5 million General Fund) in 2021-22 only. The proposed trailer bill language for CCE has not been released by the Administration at the time of this writing, which may cause a delay in budget action.
- Rejects the May Revision trailer bill language to only allow for implementation through All County Letters until regulations are developed for the CalWORKs Housing Assistance Program (HAP).

- Provides funding for operating Subsidies for Adult Residential Facilities and Residential Care Facilities for the Elderly that serve SSI/SSP recipients with a one-time appropriation of \$150 million General Fund.

**In-Home Supportive Services (IHSS) and Cash Assistance Program for Aged, Blind and Disabled Legal Immigrants (CAPI)**

- Rejects the Governor's May Revision trailer bill proposal regarding the In-Home Supportive Services (IHSS) Residual program and the proposal to auto-terminate IHSS recipients who are fall off of Medi-Cal at the annual redetermination. The costs for this are \$41 million General Fund for 2021-22, \$90 million General fund for 2022-23, \$100 million General Fund for 2023-24, and \$110 million General Fund for 2024-25.
- Approves the permanent use of electronic forms for consumers and providers in IHSS and placeholder trailer bill language to require DSS to develop a plan for developing the capability for IHSS consumers and providers to electronically sign and submit forms through the state Electronic Services Portal and Telephone Timesheet Services Application. The costs for this pending implementation of the plan developed by DSS is \$5 million General Fund in 2021-22, \$5 million General Fund in 2022-23, and a final \$5 million General Fund in 2023-24.
- Approves placeholder trailer bill language to effectuate a ten percent penalty on counties that fail to reach a collective bargaining agreement for their IHSS workers and extend related bargaining tools. There is no cost to this trailer bill.
- Approves placeholder trailer bill language regarding the IHSS permanent emergency backup system to require that statute be enacted before the backup provider system can be implemented to define the parameters of a mandated emergency provider backup system and establish clear eligibility standards.
- Approves the Governor's May Revision proposal to retain the IHSS State and County Sharing Ratio. Under current law, the state and counties share the nonfederal cost for locally negotiated increases to wages and benefits for IHSS providers, a ratio of 35 percent county and 65 percent state, up to the state participation cap, which is set at \$1.10 above the state minimum wage. For increases above that amount, the county is responsible for 100 percent of the nonfederal share. Effective January 1, 2022, when the state minimum wage reaches \$15 per hour, county-negotiated increases to IHSS wages and benefits would have flipped to a ratio of 65 percent county and 35 percent state. This action now assumes the continuation of the 65 percent state and 35 percent county sharing ratio and the continuation of the 10 percent over three years option. This assumes increased state costs of \$57.3 million General Fund in 2021-22 and \$123.8 million ongoing General Fund to reflect this change.

- Preliminarily approves of Governor's May Revision Long-Term Care Career Pathways proposal for \$200 million one-time General Fund to incentivize, support, and fund career pathways for IHSS providers. Trailer bill language has not been released on this proposal, which may delay further review and action.
- Eliminates the IHSS 7 percent reduction in service hours resulting in a cost of approximately \$248 million General Fund in 2022-23 and \$496 million ongoing General Fund. Permanently repeals the 7 percent reduction statute, pursuant to the Governor's May Revision proposal.
- Rejects the Governor's May Revision trailer bill language proposal regarding revisions to guiding principles for Electronic Visit Verification.

### **Supplemental Security Income/State Supplementary Payment (SSI/SSP) and Adult Protective Services (APS)**

- Approves an additional \$300 million General Fund in 2021-22 and \$600 million General Fund in 2022-23 and ongoing, atop the funds provided in the Governor's Budget to (1) further increase SSP individual grants above what is proposed in the May Revision, and (2) provide the same total percent increase to SSP couple's grants, which were not proposed to receive an increase in the May Revision. In total, it is estimated that SSP grants for individuals and couples would increase by roughly 28 to 29 percent, or \$45 to \$47 for SSP maximum individual grants and \$114 to \$118 for maximum couple grants, beginning January 1, 2022. Includes placeholder trailer bill language to effectuate these changes.
- Approves funding to expand and enhance the Adult Protective Services (APS) program, lowering the eligibility to age 60 from the current age 65. This is funded with \$70 in 2021-22 and on-going. Includes placeholder trailer bill language to effectuate these changes.
- Protects expansion of CalFresh to the SSI caseload for cases that are losing benefits due to churning off of the Supplemental and Transitional Nutrition Benefit Programs (SNB and TNB). This is funded with \$5.6 million General Fund in 2021-22, \$11 million General Fund in 2022-23, and \$10 million General Fund in 2023-24 and on-going. Includes placeholder trailer bill language to effectuate these changes.

### **Child Welfare Services and Foster Care**

- Approves additional resources of \$100 million General Fund in 2022-23 and on-going, atop the Governor's May Revision, for prevention services to be implemented under the Families First Prevention Services Act (FFPSA). Includes placeholder trailer bill language to effectuate changes.

- Approves additional resources of \$100 million General Fund in 2022-23 and on-going, atop the Governor's May Revision, for services for high and complex care needs foster youth, some of whom were previously served out of state. Includes placeholder trailer bill language to effectuate changes, including a state moratorium on out of state placement for children and youth served in California's system.
- Approves funding of \$85 million General Fund in 2021-22 and on-going to reflect actual expenditures and true-up costs for counties to conduct the Resource Family Approval (RFA) process, an integral part of the Continuum of Care Reform (CCR) effort. Includes placeholder trailer bill language to establish RFA costs as a legitimate cost area in the CCR, noting state participation in costs given the nascent state of the RFA pilot in only five counties and not yet statewide when the 2011 Realignment agreement was reached.
- Approves funding of \$50 million General Fund in 2021-22 and on-going to increase the number of Emergency Response social workers in the child welfare system.
- Approves funding of \$37 million General Fund in 2021-22 and on-going to augment the Emergency Child Care Bridge program, with placeholder trailer bill language to effectuate this.
- Approves \$42 million General Fund one-time in 2021-22 to provide pandemic and stabilization support for Short-Term Residential Therapeutic Program (STRTP) providers, with placeholder budget bill language to effectuate this.
- Provides a \$1500 per family/caregiver stipend to all household types with a foster child in care, at a cost of \$80 million General Fund one-time in 2021-22.
- Approves funding of \$7 million General Fund in 2021-22 and on-going for Child Welfare Services Training.
- Approves \$1.8 million General Fund in 2021-22 and \$800,000 in 2022-23 and on-going to provide an early infant supplement for expectant foster youth three months prior to the birth of the child, with placeholder trailer bill language to effectuate this.
- Approves \$1.5 million General Fund in 2021-22, \$2.3 million General Fund in 2022-23 and 2023-24, and \$800,000 million General Fund in 2024-25 to protect older youth and improve entry to extended foster care, with placeholder trailer bill language to effectuate this.
- Approves \$9.2 million General Fund in 2021-22 and \$9.0 million General Fund in 2022-23 and on-going to provide a Transitional Housing Program Plus housing supplement for older youth, with placeholder trailer bill language to effectuate this. Included in this is

\$200,000 General Fund in 2021-22 to fund training for social workers and probation officers.

- Approves \$5.4 million General Fund in 2021-22 and on-going to increase the Foster Family Agency (FFA) rate by \$50 per child per month for social worker salaries to reduce turnover and bolster retention.
- Approves \$60 million General Fund in 2021-22 and on-going for the Universal Basic Income for Foster Youth initiative, providing support of \$1,000 per month for up to three years when a youth exits extended foster care in California.
- Approves the Governor's May Revision proposal for \$39.2 million General Fund to assist counties with serving foster youth with complex needs and behavioral health conditions, within California, as well as youth who return from an out-of-state congregate placement.
- Approves the Governor's May Revision proposal for \$122.4 General Fund one-time in 2021-22 to assist counties with new prevention services implementation efforts allowable under the new federal Family First Prevention Services Act Part I.
- Approves the Governor's May Revision proposal for \$24.5 million General Fund and federal TANF block grant funds in 2021-22 to provide caregivers with up to four months of Foster Care Emergency Assistance payments pending resource family approval and up to twelve months for cases that meet good cause criteria.
- Approves the Governor's May Revision proposal for \$39.4 million General Fund in 2021-22 to continue development of a new technology platform for Child Welfare Services, called the Child Welfare Services-California Automated Response and Engagement System (CWS-CARES).
- Approves the Governor's May Revision proposal for \$3.4 million General Fund ongoing for increased county social worker workload associated the Child and Adolescent Needs and Strengths assessment tool.
- Approves the Governor's May Revision proposal for \$7.1 million General Fund to reflect Continuum of Care Reform true-up related to county Child and Family Teams actual expenditures for fiscal year 2018-19.
- Approves the Governor's May Revision proposal for \$3 million General Fund in 2021-22 to provide a Master of Social Work Programs stipend for tribal members or Native Americans who commit to working in tribal social services programs dedicated to serve children and families through after graduation.

**CalFresh, Emergency Food, and Other Basic Needs Assistance**

- Approves \$110 million General Fund in 2021-22 one-time for food banks. This funding will allow them to continue operations past July 2020.
- Approves \$150 million General Fund in 2021-22 one-time to support capacity and infrastructure needs for food banks statewide grants for Food Banks Statewide, with placeholder budget bill language to facilitate expeditious and effective expenditure of the funds timely.
- Approves \$32 million General Fund in 2021-22 one-time for disaster resiliency needs for food banks, with placeholder budget bill language to facilitate expeditious and effective expenditure of the funds timely.
- Approves funding for the "Food for All" initiative, expanding the California Food Assistance Program (CFAP) to provide state-funded nutrition benefits to those ineligible for CalFresh or the current CFAP solely due to immigration status, with placeholder trailer bill language to effectuate this. The funding provided is \$5 million General Fund in 2021-22, \$25 million General Fund in 2022-23, \$152 million General Fund in 2023-24, and \$550 million General Fund in 2024-25 and on-going.
- Approves \$30 million General Fund in 2021-22 one-time for diaper assistance through eight food and diaper banks statewide, with placeholder budget bill language to effectuate this.
- Approves \$8.8 million General Fund in 2021-22 and \$7 million General in 2021-22 and on-going to fund county administration and staffing for CalFresh simplifications adopted in the 2020 Budget, with placeholder trailer bill language to effectuate these changes.
- Approves \$8.2 million General Fund in 2021-22 one-time to fund county administration for CalFresh expansion to students in the higher education segments and restore DSS cuts to funding.
- Approves \$2 million General Fund in 2021-22 one-time for a menstrual product pilot project at the Los Angeles Food Bank and the San Diego Food Bank.
- Approves \$100,000 General Fund in 2021-22 one-time to fund automation to support a simplified senior and disabled CalFresh application and telephonic access.

**Programs Serving Immigrant Californians**

## CLIMATE INVESTMENT PACKAGES

### Various Departments: Several Packages:

The Legislature proposes several packages with details to be determined in a final agreement among the Senate, Assembly, and Governor. The spending levels are:

- Wildfire Prevention & Resilience: \$1 billion
- Agriculture Budget Plan: \$776 million
- Water and Drought Resilience: \$3.7 billion
- Climate Resilience: \$3.7 billion over three years
- Cap-and-Trade Spending Plan: \$1.4 billion
- ZEV Package: \$3.9 billion over three years, including \$2.7 billion in 2021-22
- Advancing Clean Energy: \$835 million

Both the Governor and the Senate proposed substantial investments in these categories to reduce greenhouse gas emissions, protect our environment, and ensure resiliency in the face of a changing climate. While there is broad agreement on many of the components of these packages, the Assembly would like to prioritize investments in wildfire prevention, clean drinking water, PFAS remediation, regional planning, and helping communities increase greenspace and respond to extreme heat. Conversations are ongoing with the specific program allocations and appropriateness of fund source for each.
