OVERVIEW

The Legislative Version of the 2022-23 State Budget, representing an agreement between the leaders and budget committee chairs of the Assembly and the Senate, builds on the strong proposals of the Governor and the priorities of the Legislature laid out in the Assembly's "Delivery Prosperity & Strengthening the Future" blueprint and the Senate's "Putting Wealth to Work" plan.

California's economy remains strong, and the common sense, voter approved revenue system results in the wealthy paying their share, which has strengthened California's fiscal health and provided over \$85.5 billion in available General Fund and Proposition 98 resources that this budget allocates.

But economic warning signs indicate that challenging times could arrive in the coming years. Therefore, this budget strikes the right balance of providing fiscal relief to families and small businesses, making strong investments in programs that strengthen families and the economy, responsibly focusing on funding infrastructure and other one-time investments, and building record reserves to assist the state in withstanding economic downturns or other budget challenges.

(General Fund spending in 2021-22 in the Legislative budget plan is about \$9 billion less than the Governor proposes, with higher non-recurring spending about \$8.7 billion in 2022-23.)

This report provides highlights of the budget agreement, which will be in print in the coming days in both AB 154 and SB 154 – before the June 15 constitutional deadline for the Legislature to pass the annual budget. STATE BUDGET
SUMMARY**

TOP HIGHLIGHTS

Responsible Budgeting

Crafting responsible budgets has been the cornerstone approach of Legislative Democrats since taking over full control of the state's finances in 2011.

Responsible budgeting serves two key purposes: first, it prepares the state to endure economic downturns without having to make cuts to programs or increases to middle class taxes; and second, it provides confidence for the Legislature and Governor to make program improvements, knowing the state's finances are on solid ground. This budget reflects both of these key purposes.

➤ **Record High Reserves.** Includes a total of \$37.8 billion, including:

- \$3.5 billion Regular Reserve (Special Fund for Economic Uncertainties)
- \$1.5 billion Safety Net Reserve
- \$9.5 billion Prop 98 Reserve
- \$23.3 billion Rainy Day Fund (Budget Stabilization Account)
- **\$37.8 billion Total General Fund Reserves**

The 2019-20 state budget—the last enacted before the start of the COVID pandemic—estimated there would be \$19 billion of total reserves in that fiscal year. The near doubling of anticipated state reserves in the last three years demonstrates Legislative Democrats' commitment to responsible budgeting, as well as the positive effects of the Proposition 2 rainy-day fund constitutional amendment, which was proposed by the Legislature and approved by voters in 2014.

In addition, the Legislature's plan requires 50 percent of revenues that come in over the budget act forecast through 2022-23 and that are not required to meet baseline, emergency, and constitutionally required costs (including Propositions 98 and 2) to be deposited into the Budget Deficit and Infrastructure Savings Account, which was initially established in statute in the 2018-19 budget.

- **Focus on One-Time Allocations.** Allocates the vast majority of available resources for one time purposes. This protects the state from overcommitting to ongoing purposes that future budgets may not support. Funding one-time investments in infrastructure, in particular, better prepares California for the future.

Only nine percent of new commitments in 2022-23 are ongoing, with the remaining 91 percent for discretionary reserve deposits and one-time or temporary purposes.

STATE BUDGET
SUMMARY

Fiscal Relief

The budget provides nearly \$10 billion in fiscal relief to Californians, small businesses and nonprofits.

- **Better For Families Rebates.** Provides \$8 billion for the Better For Families (BFF) Rebates plan to provide relief to Californians from the impacts of high gas prices and other growing costs due to inflation. The BFF rebates are as follows:
 - \$200 per taxpayer and dependent for taxpayers with up to \$250,000 annual income for joint filers and \$125,000 for single filers. This means a family of five would receive a \$1,000 rebate.
 - An additional rebate equal to the monthly grant for families enrolled in the CalWORKs program and the monthly grant for Californians enrolled in the Supplemental Security Income/State Supplementary Payment (SSI/SSP) program.
 - A program that allows additional low income Californians that do not receive a rebate through either of other two routes to apply for a rebate.

**2022-23
STATE BUDGET
SUMMARY**

- **Targeted Tax Relief.** Expands tax credits for working Californians, including the following:
- \$400 million ongoing beginning in 2023-24 to increase the minimum CalEITC to \$255. This will ensure every Californian receiving a CalEITC will receive a meaningful tax credit.
 - \$200 million to begin the Workers Tax Fairness Credit. This tax credit will turn union dues from being tax deduction into a tax credit. While union dues are currently tax deductible, union workers are more likely to not itemize their deductions and therefore do not get the same tax benefit for their dues that higher paid professions are more likely to get for their professional association dues. The credit level will be set in the budget each year, but will not exceed 33 percent of dues paid.
- **Small Business and Non-Profits Relief.** Provides \$1.3 billion in fiscal relief to small businesses and non-profits, including the following:
- \$870 million to provide full rebates of cost of repaying upcoming increases in federal Unemployment Insurance costs for the first 250 employees for every business. Under this proposal, 99% of all businesses will be fully reimbursed for their increased costs. This amount covers the first two years of costs. An additional appropriation will be needed to continue the rebates beginning in 2024 and beyond.
 - \$250 million for relief grants for small businesses and non-profits with up to 150 employees to offset costs of recently enacted Paid Sick Leave program.
 - \$100 million for additional COVID Relief Small Business Grants, in addition to ensuring small businesses and non-profits can access existing grant programs.
 - \$75 million for the California Small Agricultural Business Drought Relief Grant Program at the state Department of Food and Agriculture, to provide direct assistance to eligible agriculture-related businesses that have been affected by severe drought conditions.

Transformative Investments

- **Historic Infrastructure Investments.** Provides more than \$40 billion for infrastructure investments throughout the budget forecast period. The investments will be throughout the budget including: transportation; housing; schools facilities; higher education facilities, deferred maintenance, and student housing; climate and energy; dam safety; broadband; and switching the cost of the new Capitol Annex from more costly lease revenue bonds to the General Fund to bring the overall cost of the project down.
- **Record Ongoing Discretionary Funding for Schools.** Provides over \$9.4 billion in ongoing increases to the Local Control Funding Formula, nearly 16 percent increase from last year's rates. The Legislative Budget also includes a one-time \$9 billion Proposition 98 General Fund Learning Recovery Discretionary Block Grant, and a one-time \$1.5 billion Proposition 98 General Fund investment for an Arts, Music, Instructional Materials, and Libraries Block Grant.

While ongoing Proposition 98 funding levels are susceptible to drops in the event of an economic downturn, the Public Schools Reserve balance will reach \$9.5 billion, and provide a strong safety net to mitigate any potential downturn and sustain Budget Year investments.

With record levels of ongoing funding and the responsible Public Schools Reserve, school districts are in an unprecedented position to provide a strong education for our kids.

- **Medi-Cal For All, Regardless of Immigration Status.** Expands Medi-Cal to all eligible Californians regardless of immigration status. Currently, income eligible young adults 25 and younger and those 50 and older have access to full scope Medi-Cal. This action will expand access to ages 26 through 49 beginning no later than January 1, 2024.
- **No Child In Deep Poverty.** Increases CalWORKs grant levels beginning July 1, 2023 to lift all CalWORKs families out of deep poverty.
- **Stabilizing Investments in the Child Care System.** Starting January 1, 2023, provides \$1.2 billion ongoing general fund, and \$494 million ongoing Proposition 98, for increases in rates for the child care system. Starting January 1, 2023, increases the child care reimbursement rates to the 85th percentile of the regional market rate (RMR), and applies a 15.5% cost of living increase to the county RMR for all provider rates. In addition rates for three year olds are increased to a higher toddler rate. Finally, the budget includes family fee waivers, hold harmless policies, funding for provider benefits, and investments in childcare infrastructure

and the workforce. This will help stabilize providers and ensure access to child care services that families need, particularly as the state continues to recover from the COVID pandemic and return to work.

- **\$21 Billion Climate and Energy Package.** In lieu of the Governor's various Resources- and Energy-related packages, adopt a Legislative Climate-Energy Budget Plan, appropriating \$21 billion General Fund (in addition to associated federal and special funds), with details subject to ongoing negotiations. The Plan is expected to include items related to the following issues: Water-Drought Resilience, Wildfire Resilience, Sea Level Rise, Extreme Heat, Biodiversity and Outdoor Access, Energy, Zero-Emission Vehicles, and other climate-related actions.

2022-23
STATE BUDGET
SUMMARY

STATE APPROPRIATIONS (GANN) LIMIT

Currently Significant Capacity to Live Within the Gann Limit. With robust surpluses and reserves and wide support for infrastructure, state payments to help residents and businesses address rising costs, and emergency-related spending, the state currently has significant capacity to live within the constraints of the 1979 Gann Limit while not significantly affecting state officials' budget decisions.

Legislative Plan Aims to Avoid Gann-Related “Fiscal Cliff” in 2023. The Legislature's budget plan keeps the state budget under the Gann Limit by an estimated \$20 billion in 2022-23. Including major infrastructure and COVID emergency-related spending, direct payments to families and businesses, and options suggested by the Legislative Analyst's Office (such as updating an antiquated statutory definition of local subventions), the Legislature's plan aims to keep the state budget under this constitutional limit for at least two more years. This approach aims to avoid a 2023 “fiscal cliff” recently identified by the LAO.

Voters Will Need to Consider Changes to Gann Limit Soon. Within a few years, likely in 2024, the Legislature's leaders agree with the Governor that voters will need to consider changes to the Gann Limit. While the Gann Limit is not significantly influencing budget allocation decisions now, the Constitutional conflicts among the Gann Limit, Proposition 98, and Proposition 2 will most likely result in the need to make devastating cuts to baseline programs, such as health, higher education, and public safety, as soon as 2024 or 2025 and pressure the state to suspend Proposition 98 in order to balance the budget. Section 5 of the Gann Limit (Article XIII B of the Constitution) also unwisely constrains the state's ability to add to reserves, deposit supplemental appropriations to school and state pension funds, and pay down debt of the Unemployment Insurance Trust Fund.

Legislative Democrats will work with the Governor to craft a proposed Constitutional Amendment to modernize the Gann Limit before the 2024 election.

More Background on Gann Limit in the Legislature's Budget Plan. The administration estimated that the Governor's May Revision, if adopted with no changes, would leave the state \$3 billion over the State Appropriations Limit (SAL), or the Gann Limit, in 2022-23.

Below are the major changes in the Legislative Version of the State Budget, which would result in the state being \$20 billion under the SAL for 2022-23. (In general, appropriating more for SAL “excluded” purposes means there is a lower amount of SAL appropriations.)

- Adopt LAO suggestion to change statutory definition of “local subventions,” thereby counting more subventions under local Gann Limits. (**\$10 billion less in SAL appropriations**)

2022-23
STATE BUDGET
SUMMARY

- Classify more Proposition 98 funding as excluded spending, including more qualified capital outlay spending and emergency spending. **(\$8 billion less in SAL appropriations)**
- Approve more qualified capital outlay spending elsewhere in the budget. **(\$3 billion less in SAL appropriations)**
- Adopt LAO suggestion to swap certain qualified capital outlay spending in non-tax accounts with General Fund or other tax proceeds. **(\$2 billion less in SAL appropriations)**
- Various other net changes to the May Revision. **(~\$200 million less in SAL appropriations)**

Future Projections of the Gann Limit. Just as it is very difficult to forecast state revenues far in advance, so it is difficult to forecast how far the state will be under the Gann Limit. Under the administration's May Revision revenue estimates, below is a rough estimate showing that the Legislative Version of the State Budget aims to keep the state under the Gann Limit through 2024. These estimates may change based on changes in scoring as the budget advances through the next few weeks of the process.

2022-23
STATE BUDGET
SUMMARY

TK-12 EDUCATION KEY HIGHLIGHTS

Key Actions on Governor's Proposals and Legislative Additions:

- **Local Control Funding Formula (LCFF).** Increases LCFF funding by \$6.2 billion, \$4.1 billion above the Governor's proposed \$2.1 billion. Adopts protections for declining enrollment by including the average of three prior years' average daily attendance for funding, and one year protection for classroom-based charter schools. Also approves May increases to LCFF funding for county offices of education. The Legislative Budget takes further action and expands the definition of low-income to those who meet 250% of the federal poverty levels, includes homeless students to unduplicated pupil counts. These increases are equivalent to a nearly 16 percent increase, compared to 9.85 percent in the Governor's proposal.
- **California Universal Afterschool & Expanded Learning Opportunities.** Maintains the Governor's Budget funding levels for the Expanded Learning Opportunities Program for total program funding of \$4.4 billion ongoing Proposition 98 General Fund.

The Legislative Budget: (1) renames the program the California Universal Afterschool and Expanded Learning Opportunities Program; (2) funds local educational agencies that must offer the program to all students at \$3,000 per unduplicated pupil and funds local educational agencies that must offer the program to half of their unduplicated students at \$1,500 per unduplicated pupil; and (3) adds COLA at full implementation.

- **Learning Recovery Discretionary Block Grant.** Increases May Revision funding to \$9 billion one-time Proposition 98 General Fund to be allocated on a per-pupil basis and available for use up to seven years, and specify that funds shall be used for personnel-related costs.
- **Career & College Readiness.** Approves a total of \$700 million in College and Career Readiness initiatives in the May Revision.
- **Transitional Kindergarten.** Approves the Governor's proposal to expand eligibility for transitional kindergarten and reduce student-to-adult ratios. The Legislative Budget includes \$300 million additional one-time Proposition 98 General Fund for additional PreKindergarten Planning and Implementation Grants, and \$650 million General Fund more for the Preschool, Transitional Kindergarten, and Full-Day Kindergarten Facility Program.

- **Arts, Music, Instructional Materials, and Libraries Block Grant.** Centralizes the Governor’s proposed grant programs into a block grant that would provide local educational agencies funds for learning tools in arts, music, instructional materials, and multi-lingual library books. The block grant includes \$1.5 billion one-time Proposition 98 General Fund, and would be distributed based on an equity-focused formula.
- **School Facilities.** Augments the Governor’s proposals for the School Facilities Program by an additional \$1 billion General Fund, and ensure that facility funds are available through 2026.
- **School Transportation.** Significantly increases funding for Home-to-School Transportation by \$1 billion, so that beginning in 2027-28, school districts and county offices of education will offer transportation services to students in TK-6 and low-income students. The Legislative Budget would also repeal pupil fees, and establishes a funding formula that is weighted and proportional to their TK-6 students and low-income student population, and increases funding beginning in 2027-28. The Legislative Budget also includes the Governor’s proposal to provide \$1.5 billion in one-time Proposition 98 General Fund for local educational agencies to purchase zero and low-emission vehicles manufactured by high-road employers.
- **Universal School Meals.** Approves the Governor’s proposal to enhance the reimbursement rates for school meals under the state’s new universal school meals program. The Legislative Budget also provides the Department of Finance authority to approve mid-year funding adjustments if needed.

CHILD CARE AND DEVELOPMENT KEY HIGHLIGHTS

Key Actions on Governor's Proposals:

- **Child Care Pandemic Response Policies.** Adopts Governor's proposals to continue actions taken during the COVID-19 pandemic to waive family fees for childcare and create hold harmless policies for the 2022-23 fiscal year
- **Child Care Infrastructure.** Adopts Governor's proposal to invest \$200 million in additional child care facilities, with amendments to allow for expenditures on new construction.

Key Legislative Additions:

- **Stabilizing Investments in the Child Care System.** Provides \$1.2 billion ongoing general fund, and \$494 million ongoing Proposition 98, for increases in rates for the child care system. Starting January 1, 2023, increases the child care reimburse rates to the 85th percentile of the regional market rate (RMR), and applies a 15.5% cost of living increase to the county RMR for all provider rates. In addition rates for three year olds are increased to a higher toddler rate, and a set aside is created for provider benefits.
- **Childcare Workforce and Development Block Grant.** Provides \$120 million in one-time funding, and ongoing federal Child Care and Development Block Grant funding, for the Childcare Workforce and Development Block Grant.

HIGHER EDUCATION KEY HIGHLIGHTS

Key Actions on Governor's Proposals:

- **CCC Part-Time Faculty Insurance.** Approves a \$200 million ongoing Proposition 98 General Fund increase to augment the Part-Time Faculty Health Insurance Program. This augmentation expands healthcare coverage provided to part-time faculty by community college districts and includes trailer bill language to reform the program. This large augmentation creates a stronger financial incentive for more community college districts to provide medical care coverage to their part-time faculty.
- **UC Labor Centers.** Includes an increase of \$13 million ongoing General Fund to support the operations of existing UC Labor Centers and Occupational Safety and Health Programs, and invest in similar new initiatives throughout the UC system.
- **CSU Capital Outlay.** Approves several investments in capital infrastructure, including:
 1. \$80 million one-time General Fund to expand the San Diego State University, Brawley Center in Imperial Valley to support a local workforce pipeline to aid the state's goals for development of the Lithium Valley vision.
 2. \$67.5 million one-time General Fund toward construction of the CSU Fullerton Engineering and Computer Science Innovation Hub.
 3. \$75 million one-time General Fund to support equipment and facilities for CSU University Farms.
 4. \$83 million one-time General Fund to construct the Energy Innovation Center at CSU Bakersfield.

Key Legislative Additions:

The Governor's budget includes multi-year compacts with the UC and CSU and a multi-year roadmap with the CCCs that focus on shared priorities benefitting students. While the Legislature agrees with the Governor's overall emphasis in the compacts, the Legislature's budget includes investments, developed with stakeholder engagement and feedback throughout subcommittee hearings, to strengthen the higher education goals of increased access and affordability. Without sufficient resources and deliberately targeted investments, the segments will be unable to hit the expectations set forth—to the disadvantage of faculty, staff, and ultimately the students.

The Higher Education “Compacts Plus” Package includes the following key investments:

- **Additional Base Increases for CCC, UC, and CSU.** The Legislature’s budget includes the following:
 - **CCC:** Includes a total base increase of \$700 million Proposition 98 General Fund in 2022-23 and ongoing above COLA for apportionments.
 - **UC:** Includes an additional \$50 million General Fund ongoing base augmentation above the Governor’s proposal. The total base increase included is \$251 million in 2022-23 and ongoing.
 - **CSU:** Includes an additional \$100 million General Fund in 22-23 and \$200 million General Fund in 2023-24 and ongoing above the Governor’s proposal. The total base increase included is \$311 million General Fund in 2022-23 and \$411 million General Fund in 2023-24 and ongoing.
- **Robust Student Housing Investments.** Includes an additional \$2 Billion General Fund over three years for student housing projects across the UC, CSU, and CCC.
- **Comprehensive Financial Aid Reform.** Includes the following reforms in financial aid to reduce the cost of attendance for California students:
 - **Middle Class Scholarship 2.0.** An additional \$227 million General Fund in 2023-24 and ongoing above Governor’s proposal to fund the Middle Class Scholarship at 33 percent of program costs.
 - **Cal Grant Reform Act.** \$315 million General Fund in 2024-25 and \$237 million General Fund in 2025-26 and ongoing to make significant reforms to the Cal Grant Program including phasing-out existing programs, removing the GPA barrier, and the creation of the new Cal Grant 2 Program for CCC students and the Cal Grant 4 Program for students attending the UC, CSU, and eligible private institutions. The reform will provide access to Cal Grants for 150,000 additional students. These changes would take effect on July 1, 2024.
 - **Cal Grant Access Awards.** \$185 million General Fund in 2023-24, \$192 million General Fund in 2024-25, and \$193 million General Fund in 2025-26 and ongoing for Cal Grant improvements as transition to broader reforms within the Cal Grant Reform Act, including increasing the non-tuition award for Cal Grant B and C students, to help offset growing costs of living, and extending elements of last year’s improvement for low-income students attending independent, nonprofit colleges and universities.

- **Increase CCC Student Success Completion Grant (SSCG).** \$200 million Proposition 98 General Fund in 2022-23 and ongoing to increase the SSCG award amount. The SSCG offsets total cost of college attendance, to encourage full time attendance, and successful on-time completion.
- **Unprecedented Support for Underrepresented Students.** Invests in student supports impacting historically underrepresented students, including, but not limited to, the following:
 - **CCC:** Mathematics, Engineering, Science, and Achievement Program (MESA), NextUp program for foster youth, Extended Opportunity Programs and Services (EOPS), establishment of Native American student support services, a consortium and on-campus student support programs to fund Asian American and Native American Pacific Islander-Serving colleges and universities, Umoja for African American student success, Disabled Students Program, Rising Scholars Program for incarcerated and formerly incarcerated students, basic needs, and the Puente Project.
 - **UC:** Carceral system-impacted students served through the Underground Scholars Initiative and UC Irvine LIFTED program, foster youth support, Student Academic Preparation and Educational Partnerships, and undocumented students
 - **CSU:** Carceral system-impacted students through Project Rebound, Asian Bilingual Teacher Education Program, Basic Needs, Graduation Initiative 2025, foster youth supports, and a consortium and on-campus student support programs to fund Asian American and Native American Pacific Islander-Serving colleges and universities
- **Capital Investments at UC campuses.** Includes funding to expand enrollment capacity and research innovation at the Riverside, Merced, and Santa Cruz campuses and funding for the Berkeley campus to become the first 100 percent clean energy public research university in California and the United States.
- **Capital Investments at CSU campuses.** Includes funding to expand the CSU San Bernardino Palm Desert campus and support the Human Identification Lab at Chico State.
- **Enrollment Targets for Academic Year 23-24 at UC and CSU.** Includes an additional one percent at UC (\$23 million General Fund in 2023-24 and ongoing) and 0.5 percent enrollment target (\$17 million General Fund in 2023-24 and ongoing) at CSU above the Governor's one percent for academic year 2023-24.

- **Community Colleges Flexible Block Grant.** Provides \$550 million one-time Proposition 98 General Fund for a flexible block grant to assist with basic needs, mental health needs, and COVID-19 related support.
