

**ATTACHMENT 8****BBL FOR UC-MEXICO RESEARCH PROGRAMS****Amend Provisions 11 of Item 6440-001-0001:**

11. Notwithstanding Section 3.00, for the term of the financing, the University of California may use funds appropriated in Schedule (1) for debt service and costs associated with the purchase, renovation, and financing of a facility for the UC-Mexico research and academic programs in Mexico City. The amount to be financed shall not exceed \$7,000,000. The university shall report to the Legislature by March 15, 2007, on the (1) amount of funds spent to support the UC-Mexico facility (including the specific use of these funds), (2) amount of funds spent to support UC-Mexico research and academic programs, and (3) different types of research conducted and programs operated.
