

Issue 2: Diversity of Investment

In the past, STRS has submitted to the legislature a Commitment to Diversity Report. This report discussed STRS existing diversity programs and participation rate levels in STRS business activities by ethnic minority firms, women-owned firms, and ethnic minority and women employees, focusing on the management of STRS investment assets.

COMMENTS

At the request of the chair, this is an informational issue for STRS staff to update the committee on STRS status and progress since the 2004 report.
