

0860 State Board of Equalization

Issue	Description	Senate	Assembly	Difference	Conference Action
-------	-------------	--------	----------	------------	-------------------

0860-001-0001 State Board of Equalization

TBL	New Efforts by Local Assessors.	0	-10,000,000 TBL	10,000,000 TBL	
-----	--	---	--------------------	-------------------	--

Senate did not consider this issue.

Assembly adopted placeholder TBL and a placeholder General Fund net benefit of \$10 million as a result of additional resources and legislation to enable assessors to improve property tax collection and to assist the Board of Equalization in collection of business use tax. (Placeholder benefit currently is scored as a Proposition 98 General Fund savings from additional property tax collections.)
