336,303,000

(GF relief)

### 2660-XXX-XXXX Department of Transportation

200 Allocation of new "spillover" 0 transit revenue.

TBL In the May Revision, the
Administration projects an
additional \$336 million in
gasoline sales tax "spillover"
revenues and proposes to direct
the new amount to General
Fund relief. Specifically, the
funding would reimburse the
General Fund for prior-year
transit-related generalobligation (GO) bond payments.

		2009	May	
Issue	Description	<b>Budget Act</b>	Revise	Comments
200	Redirection of gasoline excise tax revenues for General Fund relief.	0	986,385,000 (GF relief)	
TBL	In the May Revision, the Administration proposes to redirect \$986 million in gasoline and diesel excise tax revenue to transportation-related GO bond payment. This excise tax funding would otherwise be used for local streets and roads. About \$745 million of this redirection is proposed as ongoing.			
	The LAO alternative is to instead borrow \$1,030 million from local streets and roads and redirect \$135 million in highway money to GO bond payment.

#### LAO **Partially Suspend Proposition 42.** Opt

1,152,800,000 (GF relief)

**TBL** The LAO presents an option of partial suspension of Prop 42 in 2009-10 for General Fund savings of \$1,153 million. The suspension would include the state highway and local road components. The public transit component would not be suspended, but much of this money is already directed to General Fund relief. Per the Constitution, repayment would be required within 3 years. For 2010-11, the LAO also indicates the option of repeal of Prop 42, which would require voter approval.

Item 2660----- Transportation

		2009	May		
Issue	Description	<b>Budget Act</b>	Revise	Comments	
LAO Opt	Suspend Local Airport Grants.	0	4,000,000 (GF relief)		
TBL	The LAO presents an option of suspending local airport grants and transferring the revenue to the General Fund. The revenue in question is from an excise tax on aircraft fuel. The revenue and expenditures are both associated with local general-aviation airports, not large commercial airports.

	and other workload		(various		
BBL	adjustments.		funds)		

Administration requests workload changes in COS, maintenance and legal that net to a reduction of \$13.2 million, a reduction of 509 state positions, and a reduction of 75 position-equivalents of contractor resources. The proposed COS adjustment maintains the long-standing 90 percent state-staff / 10 percent contractor split in project workload.

### 9350-104-6065 Proposition 1B Bond Funds for Local Streets and Roads

# 001 Prop 1B for Local Streets and Roads.

Charad Davision

0 700,000,000

**TBL** 

0250

In the May Revision, the Administration proposes to appropriate the remaining \$700 million in Prop 1B funds in the Local Streets and Roads category. Of this amount, \$258 million remains for cities, and \$443 million remains for counties. This would partially mitigate for the proposal to shift \$986 million in gas tax funds from locals to General Fund relief. Trailer bill would give locals more time to spend prior appropriations.

### 2740-XXX-XXXX Department of Motor Vehicles

#### LAO **Transfer MVA Special Funds** to the General Fund. Opt

0 70,000,000 (GF relief)

The LAO presents the option of transferring Motor Vehicle Account (MVA) funds to the General Fund. Most MVA funds are restricted to transportation purposes by Article XIX of the Constitution, but about \$115 million in annual revenue is unrestricted and eligible for transfer to the General Fund.

2740 **Department of Motor Vehicles** 

		2009	May	
Issue	Description	<b>Budget Act</b>	Revise	Comments
108	Driver License (DL) /		25,000,000	
	Identification (ID) Card Fee		(fee revenue	
TBL	Increase.		for MVA)	
	In the January Budget, the Administration proposed a \$3 fee increase (base fee is \$28) for DL/ID cards – the TBL was withheld from the February budget package without prejudice. The Senate reduced the fee increase to \$1 after the Administration withdrew its Real ID staffing proposal, which was associated with \$2 of the \$3 the fee request. The Assembly took no action.			
	The Administration still supports the \$3 fee increase to address out-year Motor Vehicle Account (MVA) pressures.
